Hi Kendra,

Thank you for the update about this course. While I am disappointed in the decision, I accept and approve the committee's recommendation to have the course be listed as a D7.

Hi Jon,  
I hope this email finds you well!

I am writing to you as the chair of the General Education Committee (GEC). GEC has reviewed your proposal and revisions for ANTH 280, as well as the responses from other departments. Based on our discussion, GEC believes that while ANTH 280 is not well suited as a B1 GE course, we do feel it's well suited as a D7 (interdisciplinary) GE course.

If you agree, GEC is prepared to approve ANTH 280 as a D7 course. Please let me know at your earliest convenience, and before May 1st, so that we have time to approve the course before the end of the academic year.

Please let me know if you have any questions. I look forward to hearing from you!  
In peace,  
Kendra
