

Academic Requirements Report (ARR)

Accessing and Understanding the Importance of the ARR

What is the Academic Requirements Report (ARR)?

The ARR tracks all graduation requirements by indicating which are met, in progress, and needed. It is updated immediately upon changing major/minors, enrollment activity (including adding, dropping courses), posting of grades, and transfer credit. It is important to monitor the ARR regularly, as it is an official graduation evaluation.

Accessing the ARR:

Login to MyCSUSM and Click **Student Center**. Click **ARR (Graduation Evaluation)** on the left side.

The ARR is your official Graduation Evaluation and is not an academic transcript. Students are responsible for meeting all requirements for their degree and are encouraged to run this report frequently to monitor progress toward a degree. UNDERGRADUATE Students may submit discrepancies via the ARR Correction Form (Please allow 2-3 weeks for responses and/or processing time): [ARR CORRECTION FORM](#)
