- This worksheet is intended for supplemental use only. The University will use your Academic Requirements Report (ARR) to track your graduation requirements, including those for your major. Please continue to check your Student Center and ARR for accuracy.
- If your ARR requires a correction, please submit an [ARR Correction Form](#).
- Your [Degree Planner](#) (in mycsusm.edu) will display the following requirements in the University’s recommended sequence.
- All courses used for the major and preparation for the major must be completed with a grade of C (2.0) or higher.
- A minimum of fifteen (15) upper-division units counted toward the major must be completed at CSUSM.
- All non-articulated courses MUST be reviewed and approved by a faculty advisor in the corresponding department.
