

## CSUSM Performance Hall TECHNICAL QUESTIONNAIRE

Please complete and return the following technical checklist. **Please complete and return with your proposal.**

- CSUSM Arts and Lectures may provide basic (non-theatrical) lighting and sound support if necessary for performances or lectures.
- **Please be aware!** Due to class schedules, staffing and space limitations, technical setup and rehearsal time within the performance hall may be limited.
- We are required to follow OSHA standards, state law, and campus policies. This means that props such as open flames, weapons, etc. may be prohibited.
- If you have a technical or production rider, **please** attach a copy of it and return to us.

### Arts 111 Performance Hall Specifications

- Performance Hall seats 150.
- No stage rise; stage is level with 1<sup>st</sup> row of house.
- **No fly or hang points in the hall.** Items cannot be suspended, rigged or dropped from the lighting battens or any overhead position.
- Three drape legs, main drape falls in front of main stage, proscenium has no drape. Proscenium is included with main stage to form a full performance area.
- Floor is wood, with a marley cover.
- A/V – Blu-Ray player, Mac computer, auxiliary laptop/audio inputs, HD Projector and projection screen can be controlled from the stage or control room.  
Projection screen is motorized, 30 ft x 20 ft, and hangs approx. 4 ft. in front of the main drape.
