Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Associated Students, Inc. of California State University San Marcos as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information included on pages 13-21 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 – Organization and Summary of Significant Accounting Policies

Nature of Activities

The Associated Students, Inc. of California State University San Marcos (Organization) is a non-profit California corporation organized in 1994 as an auxiliary organization to California State University San Marcos (University) operated in accordance with the General Nonprofit Corporation Law of the State of California. The Organization administers various student programs and activities. Student fees and other revenues are collected for the support of student-related programs and for the acquisition of assets that benefit the student body.

The Organization's financial statements are included as a component unit of the University's annual general-purpose financial statements. This is required by government accounting standards that apply to the University.

Related Parties

The Organization is related to other auxiliaries of the University, including University Auxiliary and Research Services Corporation (UARSC), San Marcos University Corporation (UCorp), and California State University San Marcos Foundation (Foundation). These auxiliaries and the University periodically provide various services to one another.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to the three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted net assets represent expendable funds available for operations, which are not otherwise limited by donor restrictions.
- Temporarily restricted net assets consist of contributed funds subject to donor-imposed restrictions contingent upon specific performance of a future event or a specific passage of time before the Organization may spend the funds.
- Permanently restricted net assets are subject to irrevocable donor restrictions requiring that the assets be
 maintained in perpetuity usually for the purpose of generating investment income to fund current
 operations.

As of June 30, 2017 and 2016, all of the Organization's net assets were classified as unrestricted. Unrestricted net assets represent funds that are fully available, at the discretion of management and the Associated Students Council, for the Organization to utilize in any of its programs or services.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is a qualified non-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Organization follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statements of activities, when applicable. Management has determined that the Organization has no uncertain tax positions as of June 30, 2017 and 2016 and therefore no amounts have been accrued.

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of 3 to 5 years.

Fund Held for Others

The Organization holds funds for on-campus clubs to fund club activities. These monies can be drawn upon at any time by the on-campus clubs and are recognized as a liability. These corresponding assets related to these funds are included in restricted cash on the statements of financial position for the years ended June 30, 2017 and 2016.

Revenue

Each matriculated student of the University was required to pay \$50 per semester during the spring, fall, and summer semesters for an associated student body fee for the years ended June 30, 2017 and 2016. Extended education students paid \$50 per semester for the years ended June 30, 2017 and 2016. These payments support the Organization's operations and are collected by the University Business Office and remitted to the Organization, at which time they are recorded as revenue or deferred revenue. Deferred revenue represents the portion of student activity fees collected for the summer and fall sessions applicable to the next fiscal year.

Fair Value Measurements

The carrying value of cash, receivables, and payables approximates fair value as of June 30, 2017 and 2016, due to the relative short maturities of these instruments.

Subsequent Events

The Organization has evaluated subsequent events through September 20, 2017, which is the date the financial statements were available to be issued. Management is not aware of any events that have occurred subsequent to the statement of financial position date that would require adjustments to, or disclosures in the financial statements.

Note 2 - Concentrations of Credit Risk

The Organization maintains an account at a financial institution with funds insured by the Federal Deposit Insurance Corporation (FDIC). The Organization account at this institution may, at times, exceed FDIC-insured limits of up to \$250,000. The Organization has not experienced any such losses in these accounts.

Note 3 - Property and Equipment

Property and equipment consist of the following:

	_	2017	 2016
Equipment	\$	115,010	\$ 115,011
Less accumulated depreciation	_	(82,795)	 (65,752)

Note 4 - Operating Leases

The Organization entered into a lease with UCorp as of January 2014 to lease spaces in the Student Union, which expired June 30, 2017 and was subsequently renewed with the University. As consideration for the leased space from UCorp, the Organization operates student programs with the space leased in the Student Union. This relationship is recognized as in-kind revenue and expense shown within other income and management and general expenses on the statements of activities. Total in-kind rent revenue and expense for the years ended June 30, 2017 and 2016 was \$83,987 and \$82,664, respectively.

The Organization pays UARSC the costs and fees of providing payroll and benefits along with an administrative fee. The original term of the agreement was one year, but it renews automatically unless either party gives three months' written notice.
