10 Action	<p>Update Code 203: Executive Committee Description: Update Code 203 to reflect consistency with other codes and approved Board structure. Fiscal Impact: None Discussion centered on voting membership of the Exec Board. Changes include adding Chair to membership list, and adding Government Affairs Coordinator as an additional advisor to reflect everyone who works with Execs. Concerns centered around the amount of voting Execs. Chair can vote to make or break a tie so they can always make a motion fail. JJ suggested adding one President Appointee. Concerns around that focused on the person needing to be appointed by President therefore the President then would have "two" votes. Also consider making a Chair a non-voting member, but then they wouldn't be able to Chair the meeting. Board determined that it would be best for President to continue Chairing meeting through the summer.
