08 Information	<b>Board of Director's Chair Position</b> Discuss the vision, purpose and duties of the chair position and the possibility of a chief of staff Fiscal Impact: None  Reviewed discussion about Chair role from prior Board meeting. Chair still serves a role in terms of ASI/University committee appointments. Consider expanding role of Chair to Chief of Staff. Deb noted that there was a recommendation from the Board to have the Chair be an elected position. Tiffany passed the gavel to Bianca. Tiffany expressed concerns electing the Chair position, as the position doesn't have a budget or serve a specific student constituency. Tiffany expressed that the idea that the President could control the Chair's opinions is absurd. Role clarity is important. Will need to consider compensation. Presentation is important – Present rationale of Internal Operations.	Tiffany Boyd ASI President
