what are guiding principles?

The guiding principles for our ASI budget are fundamental guidelines we follow that influence how we build the budget. It guides us throughout the budget allocation process that occurs in the spring semester.

ASI Budget Guiding Principles

1. TRANSPARENCY

The ASI budget should be timely, simple to understand, and be easily communicated to the campus community and stakeholders.

2. ADAPTABILITY

The ASI budget allocations should be consistent with ongoing ASI initiatives and flexible with new initiatives, while keeping in mind mandatory cost increases.

3. OPERATIONAL EXPENSES VS PROGRAMMATIC EXPENSES

The ASI budget allocations should review the percentages of the operational expenses and programmatic expenses to ensure a sustainable ratio exists between the two categories.

4. MAXIMIZE STUDENT OPPORTUNITIES

The ASI budget will prioritize student employment opportunities and direct funding that will support students at large such as ASI Leadership Fund, Student Emergency Fund, Sustainability Projects Fund, etc.
