

**ASSOCIATED STUDENTS, INC.
CAL STATE SAN MARCOS**

MEMORANDUM

Date: February 16, 2023
To: Students of California State University San Marcos
From: Julia Glorioso, President & CEO, Associated Students, Inc (ASI)
Re: Social Media Incident

I would like to acknowledge the recent video that has been circulating on social media depicting CSUSM and SDSU students harassing a vendor. The behaviors of the individuals in that video do not align with ASI's values. In light of this video, I would like to invite the student body to think about how we as individuals and a campus community can better engage in inclusive conversations and actions. I further encourage the student body to enter this conversation with civil discourse as this situation progresses.

I feel confident in the university's ability to support our students in their personal improvement and development.

I would like to share following resources and support:

- Civility Campaign (<https://www.csusm.edu/civility/newsandevents/index.html>)
- Student Life Centers for Identity, Inclusion & Empowerment (<https://www.csusm.edu/centershiring/index.html>)
- Office of Inclusive Excellence (<https://www.csusm.edu/equity/index.html>)
- Student Health and Counseling Services offers a range of services for students. Call 760-750- 4915 or visit <https://www.csusm.edu/shcs/index.html>.
- Cougar Care Network can also provide students information about on and off campus resources. Call 760- 750-7627 or visit <https://www.csusm.edu/ccn/index.html>.

Please know that ASI is here to support the student body as we remain committed to our values of Advocacy, Solidarity, and Integrity.

Julia Glorioso, President & CEO
Associated Students Inc.

CC: Ernest Cisneros, ASI Vice President of Student & University Affairs
Bryan Roberson, ASI Executive Vice President
Eryqa Flores, ASI Chair & Chief of Staff
Annie Macias, ASI Executive Director
