

PAYEE DATA RECORD

(CSUSM 204 Rev. 02/11)

1	<p>Requirement to Complete Payee Data Record, CSUSM 204</p> <p>A completed Payee Data Record, CSUSM 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate CSUSM 204 on file, it is possible for a payee to receive this form from various State agencies.</p> <p>Payees who do not wish to complete the CSUSM 204 may elect to not do business with the State. If the payee does not complete the CSUSM 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.</p>
2	<p>Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.</p>
3	<p>Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p>
4	<p>Check the box(es) that best describes payee's primary business, e.g. if payee provides goods and services, please check both boxes.</p>
5	<p>Small business and DVBE Information. Check all boxes that apply and provide OSBCR Certification Number.</p>
6	<p>California resident or nonresident:</p> <p>A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.</p> <p>A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.</p> <p>For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California may have 7% of their total payments withheld for State income taxes.</p> <p>For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below: Withholding Services and Compliance Section: 1-888-792-4900 E-mail address: wscs.gen@ftb.ca.gov For hearing impaired with TDD, call: 1-800-822-6268 Website: www.ftb.ca.gov</p> <p>Neither a U.S. Citizen nor a Permanent Resident Alien for federal tax purposes:</p> <p>Federal tax withholding regulations differ significantly from California tax withholding requirements. Nonresident alien payees performing services in the United States may have 30% of their total payments withheld for Federal income taxes. Additional paperwork may have to be filled out.</p> <p>Refer to the IRS website for tax analysis and forms: http://www.irs.gov</p>
