Sent on Behalf of: University Budget Office

Hello Campus Community,

The Budget Office would like to inform you of an important update regarding Special Consultant salaries effective immediately for Fiscal Year 2026-27.

The CO discontinued the use of account 601302. Special Consultant job codes will now post to account 601300 instead. Please keep this in mind when submitting Budget Uploads for the new year. Budgets submitted using 601302 will be updated to 601300.

Please let us know if you have any questions.
