Video Conferencing and Teams Calling Equipment Available

Sent on Behalf of: CSUSM Telephone Operations

Hello,

As part of the campus telephone upgrade project, IITS is offering video conferencing and Teams calling equipment to cover campus needs (headsets/handsets/webcams).

Whether you have already moved to Teams or will move in the next few months, you can submit your request for equipment now. As there are a large number of people to deploy to, the sooner you submit your request, the better.

Please note that every individual must order their own equipment as we are not set up for bulk orders at this time. Visit the link below for more information and to complete the Equipment Request Form located at the bottom of the webpage. If you have any questions, please email telops@csusm.edu.

[Video Conferencing and Telephone \(MS Teams\) Equipment | Instructional & Information Technology Services \(IITS\) | CSUSM](#)

Thank You!
