It's more than daycare ... it's KinderCare.

Here are three things we're proud to provide families like yours this fall (and beyond!)

1. **Safety** — It's your top priority—and it's ours too! We've earned the WELL Health-Safety Rating™ that proves our safe, nurturing classrooms are places to THRIVE.
2. **Expertise** — Our teachers are qualified and trustworthy! They have a special knack for making learning a fun and engaging experience.
3. **Local and Convenient** — We're located right on CSUSM campus! Faculty and staff receive reduced tuition rates and priority.
