
CSUSM Center for Children and Families (CCF)

Participation and Internship Request Form (Level II A & B)

Participation and internships involve students observing and participating in the CCF classroom, direct contact with CCF children which may include writing about those experiences for course requirements, and assisting CCF teachers.

Requirements for Level II-A (limited participation): Written permission from the University Liaison to the Center for Children and Families, and verbal permission from the Director of the Center for Children and Families.

Requirements for Level II-B (extended participation): Requirements: Written permission from the University Liaison to the Center for Children and Families, interview and verbal permission from the Director of the Center for Children and Families, supervision by the CCF classroom teacher, CCF Clearance Forms (Live Scan and Fingerprinting). For internships, 2 letters of recommendation will also be required.
