- I. Approval of Agenda (EA)
Approved

- II. Approval of Minutes from March 2020
Approved

- III. Updates/Notices
 - a. Save the Date:
 - b. 2020 Commencement updates (SC)
 - c. Provost announcement coming soon
 - d. Updated budget discussions on campus
 - e. Student survey: concerns & needs currently. 4700 responses back, academic worries, hoping programs and faculty are flexible.

- IV. Action/Decision Items
 - a. (EA)

- V. Discussion Items (EA)
 - a. 3 YR contracts for Fall
Need to review contracts for 3-year contract lecturers, tracking student enrollment. May not have courses available for these lecturers, departments are reviewing courses and enrollment. Will need to inform Michelle Hunt.
 - b. Professional Development for online T/L
PD opportunities over Summer, is there a need for faculty?
 - c. Assignment of work for ASC's in E.L.
EL may be asking staff to do tasks for E.L., we want to emphasize the roll of staff in CEHHS.

- d. Senate resolution policy (CR/NC)
What are the implications? Students will make the choice if they want to be graded as a letter grade or CR/NC. Will credit courses be allowed toward degree requirements? Students have the choice to choose the grading option but there may be consequences. CR/NC may not count toward a degree if a certain GPA is required by the accrediting body. Departments can decide grading for 8wk courses. The registrar's office will need to know.
- e. Fall semester planning for clinical/internships/field placements
Pull together a meeting within the next 2 weeks with directors, clinical directors, placement coordinators. What will this look like? Social distancing has a lot of implications in labs, especially for KINE. What can be done virtual, what can be done in a lab with social distancing, and what cannot be changed? Faculty/student research is also impacted.
- f. 4/21/20 at 4pm (Ranjeeta as guest for virtual office hours)
- g. College meetings/ceremonies for Spring 2020
Awards Ceremony and last All College meeting in May, can have them virtual and what would these look like?
- h. Patterns and trends across programs
SLP – planning virtual instruction for summer but if social distancing is lifted, they would like students on campus while still maintaining social distancing. Clinics start in July.
KINE – there are certain activities that cannot be duplicated virtually are trying to be flexible as possible.
