I. PURPOSE

This document establishes a university-wide procedure for CSUSM for the periodic evaluation of Lecturer Faculty, including librarians and counselors (SSP-ARs), taking into account the need to:

- A. Comply with Board of Trustees policies, Title 5 of the California Administrative Code, the California Education Code; the Unit 3 Collective Bargaining Agreement (CBA), and other applicable State and Federal laws pertaining to the employment of Lecturer Faculty.
- B. Be consistent with the terms outlined in the appointment letters issued to Lecturer Faculty.
- C. Provide Lecturer Faculty with feedback to improve teaching and student learning.
- D. Provide evaluators with materials for the periodic evaluation of Lecturer Faculty.
- E. Provide appropriate administrators with documentation to base reappointment and other personnel actions relating to Lecturer Faculty.

II. DEFINITIONS

- A. A *Lecturer Faculty* member (or *Lecturer*) is a full-time or part-time Unit 3 employee appointed for one or more semesters off the tenure track. *Full-time* refers to an appointment totaling fifteen units in a semester, within one department, program or equivalent. *Part-time* refers to an appointment totaling fewer than fifteen units in a semester.
- B. A *semester or equivalent* means an academic semester or a four-month appointment period.
- C. The *evaluation cycle* is the period of service being evaluated as specified in this procedure; e.g. one semester, one academic year, three years, or six years.
- D. The *appropriate administrator* for each college and the library is the Dean or Associate Dean. The *appropriate administrator* for counselors is Director of Student Health and Counseling or the Associate Vice President of Student Development Services.
- E. Composition of the Peer Review Committee (PRC)

The Department or appropriate academic unit is responsible for determining the size and election conditions of the PRC. The Department Chair shall ensure that there is an election of a PRC. Where no Department Chair exists, the department or appropriate faculty governance unit will ensure that there is an election of a PRC.

The PRC shall be composed of at least three full-time tenured faculty nominated and elected by the tenure-track and Lecturer Faculty in the department (or equivalent), with the chair elected by the committee. If there are not enough eligible faculty members in a department or program, the department or program shall elect Peer Review Committee members from eligible university faculty in related academic disciplines.

Effective Date: 12/19/2013

Each College or equivalent unit shall adopt procedures for electing a Peer Review Committee from the eligible faculty. These procedures must follow the CBA Article 15 provisions for Periodic Evaluation of Temporary Faculty Unit Employees.

- F. The *Working Personnel Action File* (WPAF) shall be defined as that file specifically generated for use in a given evaluation cycle. That file shall include all required forms and documents, all information specifically provided by the Lecturer being evaluated, and information provided by faculty, students and academic administrators. It shall also include all faculty and administrative level evaluation recommendations from the current evaluation cycle, and all rebuttal statements and responses submitted (CBA 15.8). The WPAF may be submitted in electronic format. Guidelines for electronic submission may be obtained from the college / division.

The materials in the WPAF shall be incorporated by reference into the PAF. At the beginning of the evaluation cycle, the Lecturer being evaluated shall prepare an index of these materials and submit it with the WPAF. Lecturer faculty shall appropriately update the index to reflect any material added to the WPAF during the course of the evaluation. This index and the CV shall be permanently placed in the PAF by the Dean's office (or appropriate administrator). At the end of the evaluation cycle, the WPAF shall be returned to the Lecturer (CBA 15.9).

- G. The *Personal Action File* (PAF) shall be defined as "the one (1) official personnel file for employment information and information that may be relevant to personnel recommendations or personnel actions regarding a faculty unit employee." Only the official PAF shall be used as the basis of personnel actions (CBA 11.1).
- H. Colleges/divisions and/or departments/programs may also provide additional evaluation criteria, which may be termed *Standards*. Such *Standards* must be approved in accordance with campus policy, such as the policy on *Temporary Faculty Unit 3 Employees-Department Level Standards and Additional Material for Evaluations*.
- I. Throughout this document, the word "*shall*" indicates mandatory action; the word "*may*" indicates voluntary action.

III. GENERAL PROCEDURE

- A. No later than 14 days after the first day of instruction of the academic term, the Office of Faculty Affairs shall provide each Lecturer a copy of the *Procedure for Periodic Evaluation of Lecturer Faculty*. During that time frame, the college/division and/or department/program shall provide its specific evaluation standards and/or criteria (if any). Evaluation criteria and procedures shall be made available to the peer review committees and the academic administrators prior to the commencement of the evaluation process. Once the evaluation process has begun, there shall be no changes in evaluation criteria and procedures (CBA 15.3).
- B. Each academic year, the Office of Faculty Affairs shall publish *Timetables for the Periodic Evaluation of Lecturer Faculty*. The timelines shall include deadlines for submission of the WPAF as well as for each stage of the evaluation. All Lecturer evaluations must be completed in accordance with the established deadlines. Each spring, the Dean's Office or

- appropriate administrator shall give to department chairs and their equivalents a list of Lecturers appointed in their program areas, including the terms of their appointments and entitlements (if any).
- C. Prior to the beginning of the evaluation process, the Lecturer shall be responsible for the identification of materials they wish to be considered and for the submission of such materials. (CBA 15.12a)
 - D. Review for Completeness: evaluating committees and administrators shall be responsible for identifying materials relating to the evaluation *not* provided by Lecturers (CBA 15.12 a.). For Lecturer appointments specified in Sections IV.A and IV.C, below, department chairs shall review the file for completeness and contribute such information to the appropriate administrator.
 - E. Once a WPAF is declared complete, additional material may only be inserted with the approval of the peer review committee, as applicable, and the appropriate administrator and shall be limited to items that became accessible after this declaration. Material inserted in this fashion shall be returned to the initial level peer review committee, as applicable, for review, evaluation and comment before consideration at subsequent levels of review (if any). If, during the evaluation process, the absence of required evaluation documents is discovered, the WPAF shall be returned to the level at which the requisite documentation should have been provided. Such materials shall be provided in a timely manner (CBA 15.12 b).
 - F. The WPAF shall be forwarded in a timely manner to the next level of review, as applicable (CBA 15.4). At all levels of review, before recommendations are forwarded to the next level, the Lecturer shall be given a copy of the recommendation and the written reasons thereof. The Lecturer may submit a written rebuttal or response within ten (10) days following receipt of the recommendation. A copy of the response or rebuttal statement shall accompany the WPAF and also be sent to the previous level of review, as applicable (CBA 15.5).
 - G. Faculty, students, academic administrators and the President may contribute information to the evaluation of Lecturer Faculty. Information submitted by the Lecturer and by academic administrators may include statements and opinions about the qualifications and work of the Lecturer provided by other persons identified by name. (CBA 15.2)
 - H. Only tenured faculty and academic administrators may engage in deliberations and make recommendations on the evaluation of Lecturers (CBA 15.2). Only tenured faculty can serve on peer review committees (PRC).
 - I. Probationary and Lecturer Faculty may provide peer input, if so requested by the Lecturer being evaluated, but they may not engage in deliberations or make recommendations.
 - J. Written or electronic Student Evaluations of Instruction shall be required for all Lecturers who teach, in accordance with the CBA. The results of these evaluations shall be placed in the Lecturer's PAF or may be stored in electronic format and incorporated by extension into the PAF. Individuals involved in evaluations and personnel recommendations and decisions shall be provided secure access for these purposes (15.15).

Effective Date: 12/19/2013

- K. Lecturers with appointments in more than one department, program or equivalent shall be evaluated separately by each department, program or equivalent based on their appointment in that department, program or equivalent.
- L. A request for an external review of materials submitted by a Lecturer may be initiated at any level of review and by any party to the review. Such a request shall specify the special circumstances that necessitate an outside reviewer and the nature of the materials needing external review. The request must be approved by the President or President's designee with the concurrence of the Lecturer (CBA 15.12 d).
- M. When classroom visits are utilized as part of the evaluation, the Lecturer shall be provided at least five (5) days' notice that a peer visit is to take place. There shall be consultation between the Lecturer and the individual who visits their classes (CBA 15.14).
- N. The Lecturer shall be provided an electronic copy of the evaluation, which must be signed and returned by the Lecturer (electronically or in hard copy). The signed evaluation shall be placed in the Lecturer's PAF (CBA 15.27). If the signed evaluation is not returned in 10 days, an unsigned copy shall be placed in the Lecturer's PAF.
- O. All reappointment decisions and other personnel actions shall be based only upon evidence in the Lecturer's PAF (CBA 11.1).
