## Section 1: New User Registration

Step-by-step instructional videos and pdf slide presentations are available at [www.irbnetresources.org/tresources/training.html](http://www.irbnetresources.org/tresources/training.html)

To access, use the following log-in information:  
User Name: csusm  
Password: training

### How to Register as a New User

1. To begin the registration process, go to [www.irbnet.org](http://www.irbnet.org) and click the “New User Registration” link.

The screenshot shows the IRBNet website homepage. At the top left is the IRBNet logo and the tagline "Innovative Solutions for Compliance and Research Management". To the right is a login form with fields for "Username" and "Password" and a "Login" button. Below the login form are two links: "New User Registration" and "Forgot Your Password?". Both links are circled in red. Two yellow callout boxes with red borders point to these links. The first callout box, pointing to "New User Registration", contains the text: "✓ Users that are not registered on IRBNet may click here to self-register." The second callout box, pointing to "Forgot Your Password?", contains the text: "✓ If you have forgotten your password, click here." The main content area of the website features a navigation bar with links for "Home", "The IRBNet Difference", "Demo", "Contact Us", and "FAQ". Below the navigation bar is a section titled "Comprehensive Solutions" with a large image of hands shaking. To the right of this image is a "Test Drive IRBNet" section with a "Demo" button and a quote from Bruce Day, Director of Research Integrity at Marshall University. The quote reads: "went so smoothly! It was over so fast the members didn't know what to do. They just sat there for a few minutes in disbelief." Below the quote is a "Next" button with a right-pointing arrow.

2. Fill out your first and last name, and choose a username and password.

The screenshot shows the 'Registration' page for IRBNet. It features a header with a banner image and the title 'Registration'. Below the header is the 'Account Information' section. A note states: 'You must be REGISTERED to access IRBNet. Registration is free. The next step is to enter your basic account information and create your IRBNet User Name and Password.' The form includes fields for 'First Name \*', 'Last Name \*', 'User Name \*', 'Password \*', 'Confirm Password \*', and 'Password Hint'. There are 'Continue' and 'Cancel' buttons at the bottom. Two yellow callout boxes are present: the first points to the name fields with the text 'Always use your proper name, with standard capitalization as this information is used throughout the system.'; the second points to the password fields with the text 'Passwords must contain 8 (eight) characters.' A legend at the bottom left indicates '\* required fields'.

3. Read and accept the Individual User Terms of Use.
4. To add your organization, type the word “California State” into the “**Search for an Organization**” box. Ensure only “**Research Institutions**” is checked. Click “**Display**” or “**Search**”. Select “California State University, San Marcos, San Marcos, CA” from the organization box. Then click “**Continue**”.

The screenshot shows the organization search interface. At the top, there is a search box containing 'california state' and buttons for 'Search' and 'Clear'. Below this is a section for 'Organization types to display' with checkboxes for 'Research Institutions' (checked), 'Boards', and 'Sponsors', and a 'Display' button. A list of organizations is shown in a scrollable box, with 'California State University, San Marcos, San Marcos, CA' selected and highlighted in blue. Below the list, there is a note: 'If you do not see your organization listed you may add a new organization.' and 'Continue' and 'Cancel' buttons. A legend at the bottom left indicates '\* required fields'.

5. Enter your contact information. Enter the email address which you would like to receive communications from the IRBNet system. (e.g. notification of committee decisions, communications from your research team or committee administrator). Click **“Continue”**.
6. Review your provided information and edit as necessary. When you are satisfied, click **“Register”**.
7. Be sure to click **“Continue”** on the final page to finalize your registration and send the activation email.

**An email will be sent to the address you provided in Step 5 with “IRBNet Activation Required” in the subject line. You will need to click on the link provided in this registration email in order to activate your account.**

## How to Add Training and Other Credentials

**Proof of completion of training is a required document for submissions to the IRB. ALL PERSONNEL listed on the proposal **MUST** provide proof in each project for which they will be conducting/aiding in research.**

1. Log-in to [IRBNet](#) using your new username and password. Click on “**User Profile**” in the top right corner.
2. Scroll down to the “Training & Credentials” section.
3. Click “**Add New Record**” and upload your proof of human subjects training. (To complete the training go to: <http://www.csusm.edu/gsr/irb/training.html>)

The screenshot shows the IRBNet User Profile page for John Researcher. The page is divided into several sections: 'User Account Information and Password', 'Affiliations', and 'Training & Credentials'. The 'Training & Credentials' section is highlighted, and the 'Add New Record' button is circled in red. A yellow callout box with a red border points to the button, containing the text: '✓ Click here to upload T&C documents.' The text 'There are currently no documents in your profile.' is visible below the button.

4. Fill in the appropriate information for the credential being added. **Fields with a red asterisk are required.**
5. Click “**Browse**” to search for the training document in your computer. Next, click “**Attach**” to add the training document.

- Finally, review the information to make sure it is correct. You **MUST** click “**Submit**” before the training record can be added to any future submissions.

and manage your Training & Credentials records.

Note that if you add or update an affiliation you will be sent an activation email to your contact email address. You must click on the link in the activation email to confirm your changes.

**ALTERNATIVELY:** You may add your training certificates as a document. See “Adding Application and Supporting Document” in Section 2 for instructions.

## Section 2: New Project Submissions

**Step-by-step instructional videos and pdf slide presentations are available at [www.irbnetresources.org/tresources/training.html](http://www.irbnetresources.org/tresources/training.html)**

To access, use the following log-in information:

User Name: csusm

### How to Create a New Project

\*\*Instructional videos can be found on the IRBNet training link above\*\*

1. **“Log-in”** to [IRBNet](#) using your username and password. (If you are a first time IRBNet user, please follow the instructions in section 1).

The default page will be “My Projects,” where you will have access to all of the projects you have created or that have been shared with you from other researchers.

2. On the left hand side, click **“Create New Project”**. Fill in the relevant information about your project, and click **“Continue”**. **Fields with a red asterisk are required.**

The screenshot shows the IRBNet user interface. At the top right, there are links for 'USER PROFILE' and 'LOGOUT'. The main header area features the IRBNet logo and a banner image. Below the header, the page is titled 'My Projects' and includes a welcome message for 'Jennifer Researcher'. A navigation menu on the left has 'Create New Project' highlighted with a blue box and a mouse cursor. The main content area contains a search bar with a 'Search' button and a 'Clear' button. Below the search bar, there are navigation controls for a table of projects, including '1 - 2 of 2' and a '10' dropdown. The table lists two projects:

IRBNet ID	Project Title	Principal Investigator	Project Status	Expiration Date
431528-1	PTSD Research PTSD VAMC	Parsons	Pending Review	
431448-1	Prevalence and Outcomes of Pulmonary Con... NIH	Jeter	Active - Open to Enrollment	04/20/2017

3. You will then be taken to the “Designer” page where you will download the IRB application, all forms (i.e. consent, assent, etc.), link training documents (i.e. CITI training), and any guidance documents that will be used in your research.

### **Adding Application and Supporting Documents**

Once you have created the package, you will be automatically directed to the “Designer” page.

1. “Select a Library”: Ensure that CSUSM is the institution selected. If you only use IRB for CSUSM submissions, this will appear here automatically.
2. “Select a Document”: Choose the type of document that will be uploaded.  
NOTE: This can be changed at a later step.
3. Click “Attach New Document” to add the application and all supporting documents.

The screenshot shows the IRBNet Designer interface. At the top, it displays 'IRBNet ID: 48847-1' and 'USER PROFILE LOGOUT'. The main header includes the IRBNet logo and a banner image. Below the header, the user is welcomed as 'Jennifer Researcher'. A left sidebar contains navigation links for 'My Projects', 'Project Administration', and 'Other Tools'. The main content area shows the package name '[48847] Impact of Chocolate on Work Efficiency' and its status 'Work in progress (Not submitted)'. It includes a 'Step 1' section with dropdown menus for 'Select a Library' (Metropolitan University IRB, Frederick, MD) and 'Select a Document' (1a. Application Form), along with a 'Download' button. A 'Step 2' section provides instructions on assembling the document package. At the bottom, there are two buttons: 'Start a Wizard' and 'Attach New Document', with the latter highlighted by a blue rectangular box.

- Once your documents have been uploaded, you can easily change the “Document Type” by clicking the blue arrow to the left and selecting a new option from the drop-down menu. You can also edit or delete the document using the tools to the right.

You may share this project with other Researchers, Committee Members, Administrators and Sponsors. You may also send a complete copy of this project to a Principal Investigator at another site if this is a multi-site project. You may also transfer ownership of this project to another individual.

- **Share:** Use this option if you wish to share your project with other Researchers, Committee Members, Administrator or Sponsors at your own institution or any other institution. For example, you may wish to share this project with other members of your research team so that you may collaborate in the design and development of the project, or with a selected Committee Member or Administrator to solicit feedback prior to submitting your project for review. You may provide any individual with **Full**, **Write** or **Read** access.
- **Multi-site:** Use this option only if your project is a multi-site project and you wish to send a complete and independent copy of this project to a Principal Investigator at another site. The local Principal Investigator will be able to obtain project documents from the lead site and may modify their copy of these documents (such as consent forms) to meet the requirements of their local Board. You will be able to monitor the progress of this project at every local site. The other local Principal Investigators will also be able to monitor the progress of this project at every local site (including your own).
- **Transfer:** Transfer your ownership of this project to another user. In doing so you will relinquish all access to this project and the designated user will be granted **Full** access.

2. Select “California State University, San Marcos” in the “Select an Organization” box. Click “**Select Organization**”.
3. Search for your research advisor by name in the search bar, click “**Search**”.  
NOTE: Your research advisor must already be a registered user of IRBNet in order to sign your project.

- Once you find your advisor's name, you must give them a minimum of "Read" access so that they are able to review your application and sign the package. ***Selected users will be notified automatically via email that a project has been shared with them. You may also enter comments in the comment box to be included in the email.***

Specify the access that you wish to grant to each user at **Metropolitan University**. You should grant each user only the minimum level of access necessary to perform their work on this project.

- Signature Only (Read):** Users whose only role is to sign off on project documentation should be granted "Read" access. Users with Read access can view project documentation, communicate with the project team and add their signature. This would typically include advisors, department heads, and other individuals who are required to sign off on the project documentation prior to submission but do not otherwise have a day-to-day role on the project.
- Read:** Users that are granted "Read" access can view project documentation, collaborate with other users and add their signature, but may not edit project documents or perform any other administrative functions.
- Write:** Users that are granted "Write" access can view and edit project documents, collaborate with other users and add their signature, but may not grant access to other users, submit packages for review or perform any other administrative functions.
- Full:** Users that are granted "Full" access can perform all functions without restriction. This includes editing project documents, sharing the project with other users, submitting document packages for review and deleting document packages. Only Project Owners with day-to-day responsibility for the project should be granted Full access. Users with Full access will receive automatic email copies of all project notifications and alerts that are sent to the Project Owners.

Your current document package has already been submitted and is presently locked by your Board. You may prepare new or modified documents (such as Revision/Amendment materials, Renewal/Continuing Review materials, and Adverse Event Reports) by creating a new document package.

Create New Package

Click the Create New Package button

- This will create a new package with the same IRB number, but a new package number. **For example:** Original project is 123456-1, new project will become 123456-2.

**Adding Documents to Your Package**

- You can now click this new package to access the “Designer” page.
- Upload the IRB Continuing Review/Minor Modification application and any new supporting documents by clicking “**Add New Document**” in the middle of the page. If you need more help on how to upload documents, refer to Section 2 “Adding Application and Supporting Documents”.
- At the bottom of the page is a list of all documents that were included in all previous packages with this IRB number. Include **ALL** supporting documents that are to remain unchanged in the subsequent package.
- To download and edit a previous document, click the image of a piece of paper to the right. You can then save and edit this document.

## **Sharing, Signing, and Submitting Your Package**

REMEMBER: You must share your package with your faculty advisor for them to sign. When you have completed downloading your application, training certificates, and collected the required signatures, you must then submit your package. Follow the steps in Section 2 on how to share, sign, and submit your package.

**STUDENTS: DO NOT submit your package until you are certain you have uploaded all documents and your faculty advisor has signed the package in IRBNet. Projects are locked upon submission, if you need access to this package for additions or revisions prior to board review, please contact IRB Administrative Support at [irb@csusm.edu](mailto:irb@csusm.edu) or 760-750-4029**

## Section 4: Accessing Your Package

Step-by-step instructional videos and pdf slide presentations are available at [www.irbnetresources.org/tresources/training.html](http://www.irbnetresources.org/tresources/training.html)

To access, use the following log-in information:

User Name: csusm

## Retrieving Approval Letter and Stamped Documents

When the IRB has approved your project, you will receive email notification. An “Approval Letter” and any documents that require stamps from the IRB (consent/assent forms, information forms) will be attached to your package.

1. Log in to [IRBNet](#). You will be automatically directed to the “My Project” page.
2. The “Board Action” for your project will now state “Approved”. Click the title of the project to access the Project Overview.

The screenshot displays the IRBNet user interface for a researcher named Jennifer. The page title is "My Projects". A search bar and a "Search By Tag" dropdown are visible. Below the search bar is a table of projects. The table has columns for IRBNet ID, Project Title, Principal Investigator, Submission Type, Status, and Effective Date. The status of the first project, "Impact of Chocolate on Work Efficiency", is highlighted in a blue box and labeled "Approved".

IRBNet ID	Project Title	Principal Investigator	Submission Type	Status	Effective Date
