

Important Information about the CPE

1. You are allowed to register and take the CPE only once per registration cycle. If you do not pass, you will have to wait until the next semester to retake the exam, or you can enroll in CHEM 101 to better prepare yourself.
2. Check-in on the day of the CPE will start promptly at the published time outside of the designated room (Academic Hall (ACD) 305).
3. The exam will start promptly 30 minutes after registration begins.
4. A hardcopy of your confirmation of registration and a photo ID card to verify your identity will be required to be admitted.
5. Late check-ins will not be allowed into the exam room.
6. Bring #2 pencils and an eraser to the exam.
7. No calculators or other electronic devices can be used during the exam.
8. Note that parking permits are required to park on the CSUSM campus. A campus map and parking information can be found at: <http://www.csusm.edu/parking/>.
