

## **Special Instructions for Students with Disabilities**

If you have a disability and will require special testing accommodations to take the Chemistry Placement Exam (CPE), please contact Disability Support Services (DSS) at 760-750-4905 or by email at [dss@csusm.edu](mailto:dss@csusm.edu).

When sending an email, please be sure and specify in the subject line *Chemistry Placement Exam (CPE) Testing Accommodations*.

Test takers needing special testing accommodations need to contact DSS and provide any required disability documentation in a timely manner. Every effort will be made to provide authorized special testing accommodations but DSS will need to have the necessary paperwork in their possession two weeks prior to each exam for scheduling purposes.
