Message From the President

Dear Cal State San Marcos community,

Thank you for taking time to read this year’s Annual Security Report. The Jeanne Clery Disclosure of Campus Security Policies and Campus Crime Statistics Act, commonly referred to as the Clery Act, is a federal mandate requiring all institutions of higher education that participate in federal student financial aid programs to disclose information about certain campus policies, procedures, and crimes reported to have occurred on the campus and certain off-campus locations. This report is designed to provide you with important information about safety and security at CSUSM. In addition to outlining many of the policies and resources that our university offers, this report also contains crime statistics for the previous three calendar years of January 1, 2019 - December 31, 2021.

At CSUSM, we strongly believe that campus safety and security is a shared responsibility and an essential part of student success and employee wellness. I am proud of the work that our faculty, staff and students do to keep CSUSM secure and safe. Additionally, our University Police Department strives every day to collaborate with all members of the campus community, with an emphasis on developing partnerships that allow for the sharing of information and ideas. However, we must never become complacent when it comes to our campus environment. It’s crucial for us to look out for one another and to speak up by reporting potentially unsafe situations.

I hope you find this report informative. If you have questions or would like further information about the Clery Act, please visit the Clery website https://www.csusm.edu/clery/index.html.

Sincerely,

Ellen Neufeldt, Ed.D.
President
Prepared by the Annual Security Report

The Clery Director and Clery Compliance Team (CCT) compile this institutional report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act), and it is a disclosure for the three most recent calendar years concerning the number of specific crimes that occurred on or within CSUSM’s Clery geography.

The Clery Compliance Team assists the Clery Director in the collection of information and required crime statistics, assists in developing, writing, reviewing and ensuring the accuracy of the ASR and campus policies required to be included in the ASR, assists in the proper identification of relevant Clery Act geography, assists in programming, developing and providing training and outreach efforts on the campus for compliance and assists in overall compliance with the Clery Act and state student safety laws.

The procedures for preparing the annual disclosure of crime statistics include reporting statistics to the campus community obtained from the following sources: the CSUSM University Police Department, Dean of Students, Office of Residential Life, Title IX office, Athletics, Office of Human Resources, Faculty Affairs, individuals designated as “Campus Security Authorities” (CSA) under the Clery Act, and local law enforcement agencies with concurrent jurisdiction over the campus's Clery Geography. For statistical purposes, crime statistics reported to any of these sources on or within CSUSM’s Clery geography are recorded in the calendar year the crime was reported.

The statistics are gathered, compiled, and reported to the University community via this Annual Security Report and the CSUSM Annual Fire Safety Report, which is published by the Clery Director. The Clery Director submits the annual crime statistics published in this report to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website: https://ope.ed.gov/campussafety/#/

All policy and procedure references in this report apply to both the San Marcos and Temecula campus locations unless separately noted. All students and employees receive annual notice by campus-wide email of the Annual Security Report, a brief description of its contents, information regarding the availability of the report on the campus website, the electronic address to access the report, and a statement on how to obtain a paper copy, if desired. Similar notices are provided to prospective students and employees on the Admissions & Student Outreach and Careers at CSUSM webpages.

For more information, see the CSU Implementation of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the “Clery Act”).

To the extent that any of the statistics in this report differ from statistics previously reported, these statistics reflect the most accurate and complete information currently available to the University.

Hate Crimes

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Hate crimes includes any offense in the following group: murder and nonnegligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on campus, residential facilities, noncampus buildings or property, and public property.

2019—There were no reported hate crimes at either the CSU San Marcos or CSUSM Temecula campus

2020—There were no reported hate crimes at either the CSU San Marcos or CSUSM Temecula campus

2021—There were no reported hate crimes at either the CSU San Marcos or CSUSM Temecula campus

Procedures For Students and Others To Report Criminal Actions Or Other Emergencies On Campus

Community members, students, faculty, staff, and guests are encouraged to promptly report all crimes, emergencies, and public safety-related incidents to the University Police Department (UPD). Crimes should be reported to UPD for purposes of assessing the crime for distributing a potential timely warning and for disclosing in the annual crime statistics. For crimes occurring at off-campus locations, the law enforcement agency with jurisdiction in that area should be contacted.

EMERGENCY REPORTING

San Marcos

- 911 for any emergency or 760-750-4567 for emergency or non-emergency calls
- UPD located at 425 La Moree Rd. next to the Sprinter Station
- Use any of the more than 100 emergency telephones located in university buildings to report an emergency directly to the UPD.
• Use the emergency intercom system found in most building elevators to report an emergency directly to the UPD.
• Use any of the 65 Blue Light Emergency Telephones located around campus to report an emergency directly to the UPD.

CSUSM Temecula
• 911 or 951-696-3000 for any emergency or 800-950-2444 for non-emergency calls
• Temecula Police located at 30755-A Auld Rd., Murrieta, CA

CAMPUS SECURITY AUTHORITIES (CSAs)
The University encourages all members of the campus community to contact the UPD when they have been the victim of or have witnessed criminal actions. However, in some instances members of the campus community may feel more comfortable reporting criminal activity to a CSA. When a CSA receives a report of a Clery-qualifying crime occurring within the campus Clery geography, the CSA is required under the Clery Act to report the allegation (as detailed further below) for inclusion in the ASR.

The Federal Department of Education defines a CSA as:
• A campus police department or a campus security department of an institution
• Any individual who has responsibility for campus security but who does not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance to the institution or providing safety escorts)
• Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses
• Any official of the University who has a significant responsibility for student and campus activities, including but not limited to student housing, student discipline, and campus judicial proceedings
  o An official is any person who has the authority and the duty to act or respond on issues on behalf of the institution. Examples (outside of a police or security department) include but are not limited to:
    • Dean of Students
    • Director of Athletics and athletic coaches
    • Faculty and staff advisors to student organizations
    • Housing director and resident advisors
    • Title IX Coordinator
    • Ombudsperson
    • Director of Student Health & Counseling Center
While there may be some overlap, persons considered CSAs for Clery Act reporting are not necessarily the same as those defined as “responsible employees” for Title IX.

Individuals who do not meet the criteria for being CSAs include faculty members who do not have any responsibility for student and campus activities beyond the classroom, clerical staff, and cafeteria staff.

**Exemption for Pastoral and Professional Counselors:** Under the Clery Act, there are two types of individuals—pastoral counselors and professional counselors—who may have significant responsibility for student and campus activities but are not CSAs. This exemption protects the counselor-patient relationship by ensuring that pastoral and professional counselors can provide appropriate counseling services without an obligation to report all crimes they may learn about while providing these services. However, this exemption is not absolute and there are certain situations in which counselors have a legal obligation to report a crime. Individuals who counsel students and/or employees but do not meet the Clery Act definition below of a pastoral or professional counselor are not exempt from being a CSA if they otherwise have significant responsibility for student and campus activities.

CSUSM encourages pastoral and professional counselors to notify those they are counseling of the anonymous reporting options available to them.

- **Pastoral Counselor:** A person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling and is functioning within the scope of that recognition as a pastoral counselor (34 CFR 668.46(a)).

- **Professional Counselor:** A person whose official responsibilities include providing mental health counseling to members of the institution’s community and who is functioning within the scope of their license or certification (34 CFR 668.46(a)).

When a CSA receives crime information they believe was provided in good faith (little or no reason to doubt the validity of the information), the CSA has the duty to immediately report the crime information to the UPD either by calling police dispatch at (760)750-4567 or by submitting a completed CSA Reporting Form (found online at https://www.csusm.edu/clery/csa_reporting_form.html).

CSA reports are used by the institution to compile statistics for Clery Act reporting and to help determine if there is a serious or continuing threat to the safety of the campus community that would require an alert (i.e., timely warning or emergency notification). Those responsibilities can usually be met without disclosing personally identifying information. A CSA report does not need to automatically result in the initiation of a police or disciplinary investigation if the victim does not want to pursue this action. A CSA is not responsible for authoritatively determining whether a crime took place; such a determination is the function of law enforcement.

**Voluntary and Confidential Reporting**

CSUSM does not have a voluntary confidential reporting option.

San Diego Crime Stoppers provides a safe way to anonymously report crime. Anyone with information on a crime is asked to call the Crime Stoppers anonymous tip line at (888) 580-8477 or
visit the Crime Stoppers website at www.sdcrimestoppers.org for more information on how to send anonymous web and mobile app tips. Please note, there could be a delay in reports submitted to Crime Stoppers being forwarded to the CSUSM University Police Department. CSUSM encourages reporting to UPD for assessment of the crime for distribution of a timely warning, disclosure in the annual crime statistics and providing immediate campus resources.

**Crime of Violence Disclosures**
The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

*California Education Code section 67380(a)(6)(A)*
Pursuant to California Education Code section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or noncampus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

**Timely Warning Policy**
This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of their Campuses, and to comply with the Timely Warning requirements of the Jeanne Clery Act.

As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.

- Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to complete and document a Timely Warning analysis for referrals to disciplinary action.
- If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.
• If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.
• In the absence of any of these three elements, no timely warning will be issued.
• The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:

• The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, i.e., a "cold report"
• Physical injury to the victim
• Use of weapons
• Forced entry used and/or tools used in commission of the crime
• A suspect arrested or incapacitated by injury
• A suspect that is identified or otherwise can be located by law enforcement
• A suspect that is out of the area
• A victim who fears for their safety from the suspect
• A clear modus operandi and/or pre-planning indicated
• Multiple suspect(s) involved
• A pattern of similar crimes established
• The possible risk of compromising law enforcement efforts, such as to gather evidence and/or apprehend suspect(s), if a warning was issued

Additional Considerations

The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.

The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with University Police Department (UPD) about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, republicizing and/or sharing with the Campus community crimes or other informational notices, (e.g., traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of
the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning

When a timely warning is issued it shall be entitled “Timely Warning Crime Bulletin” and contain the following:

- A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
- Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.)
- The date, time, and location the crime occurred
- The date the Timely Warning Bulletin is issued
- Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s)
- At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime
- The phone number of UPD and a statement encouraging community members to report all information about crimes to UPD
- If appropriate, the phone number of support services

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution

Timely warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:

- All employee and student email distribution
- University website
- Public area video display monitors
- Hard copies posted on Campus building entrance doors
- Press Release

This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate
method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus's Annual Security Report.

**Emergency Notification Policy**

This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act.

Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to University Police Department (UPD) and/or by calling "911." Examples include, but are not limited to, the following types of incidents:

- Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.)
- Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse)
- Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon)
- Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.)

Once UPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning shall not be issued for the same incident.

**Contents of the Emergency Notification**

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire)
• A statement providing direction as to what actions the receiver of the message should take to ensure their own safety
• A statement as to where or when additional information may be obtained

The Chief of Police and/or Clery Director (or management designees) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, e.g., fire is out, and building has re-opened.

**Methods of Distribution**

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

• A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty, and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails, and phone calls, or if desired, to 'opt out' of the service and not receive any notifications
• Audio/visual message boards
• Audible alarms/sirens
• Campus public address systems
• In person or door-to-door notifications in a building or residence halls
• Local media
• Social media
• Other means appropriate under the circumstances, which campuses shall disclose in their ASRs as applicable.

**Testing and Evacuation System**

Testing of the Emergency Notification System and evacuation will be done at least once annually. The Tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises, and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, the campus emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Each Test will be documented to include a description of the exercise, the date of the Test, the start and end times of the Test, and whether the Test was announced or unannounced. The California State University Emergency Management policy describes these Tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.
Security of and Access to Campus Facilities, and Security Considerations for the Maintenance of Campus Facilities

The California State University San Marcos (CSUSM) University Police Department (UPD) is responsible for providing a safe and secure environment and the protection of all properties and facilities owned, operated, controlled, or administered by the University. The UPD is responsible for controlling access to all university facilities. Most CSUSM buildings and facilities are open to the public during the day and evening hours when classes are in session. During those times that the University is officially closed, buildings are generally locked and only faculty, staff, and some students with proper authorization are permitted access. All campus buildings are equipped with an “access control system” (card key access) where door contacts are electronically connected to the UPD. In addition, many offices, labs, and computer rooms have alarm systems. In conjunction with Facilities Development and Management (FDM), which manages the campus key and card access systems, the UPD is responsible for authorizing campus keys and access cards. All keys or access cards issued by the campus remain the property of CSUSM. Prior to separation from university employment or any other activity for which key or card access is granted, all such items must be returned in compliance with campus procedures. In addition, CSUSM uses video cameras as one method of deterring, detecting, and investigating crime on campus. The primary intent of video camera use is to discourage theft and criminal activity and enhance the likelihood of apprehending and successfully prosecuting offenders.

STUDENT HOUSING (UNIVERSITY VILLAGE AND QUAD APARTMENTS)

University Village Apartments and The QUAD Apartments are both large residential complexes with housing for approximately 1,500 students. The existence of student housing has forged a close working relationship between the UPD and housing staff to create a safe and comfortable learning, studying, and living environment. Housing facilities are gated and secured using a card access system. It is a violation of housing policy to prop open doors or gates at any time. Use of residence facilities is limited to residents and accompanied guests. Residence halls are routinely patrolled by UPD Officers and Community Service Officers. Additionally, security is supplemented by live-in Resident Advisors and Resident Directors.

Door-to-door solicitation is prohibited in CSUSM Housing. Student residents are encouraged to report the presence of such persons to the Student Housing staff and/or the UPD. Residents are also advised to keep their bedroom and apartment doors locked at all times.

Housing policy requires that residents report any unsafe conditions or behaviors that threaten the safety or security of the housing community. Any failure to abide by housing security procedures can be pursued through the Housing conduct process. To further enhance security, housing policy provides that students are required to carry their CSUSM ID Card (physical ID card or virtual ID card on the CSUSM app) and UVA/QUAD key access card at all times while on the premises and to present their Student ID cards when requested by university personnel, including but not limited to staff members of the University and/or Housing and Residential Education. Both cards are not transferrable, and students cannot lend, sell, or give their card or their ID to others. Failure to comply is grounds for referral to the Housing and/or University student conduct process.

STUDENT HOUSING POLICY ON ID AND KEY CARDS
• University Identification Cards: University identification cards may only be used by the student whose name appears on the card. Any alteration or illegal use of University identification cards is prohibited. CSUSM student ID cards that are misused are subject to confiscation and illegal use of University identification cards is prohibited. The University reserves the right to confiscate any duplicate CSUSM ID cards if discovered.
• Other Identification Cards: Possession of an identification card that bears another person’s likeness or contains false demographic information is prohibited. This includes all blank, forged, stolen, borrowed, fictitious, counterfeit, or unlawfully issued driver’s license or identification cards. Identification cards meeting any of these criteria will be confiscated where students are found in possession of them and will be turned into the Dean of Students Office and/or the University Police as evidence of misuse and policy violation.
• Creating Identification Cards: Making or possessing instruments and/or materials for counterfeiting of University identification cards, driver’s licenses, or any of other forms of identification is prohibited.
• UVA/QUAD Key Access Cards: Possession of a UVA or QUAD key access card that was not issued directly to the individual student is a policy violation. Any student found in possession of an access card that is not their own will be subject to the Housing and/or student conduct process and the access card will be confiscated.

SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES

CSUSM is always working to improve the security of campus through environmental design. Careful consideration is given to lighting, landscape, and building maintenance in the furtherance of campus safety. Representatives from the UPD, FDM, Safety Health & Sustainability, and Integrated Risk Management are frequently involved in the planning committees for new buildings and major renovations to ensure maximum security. The Facility Services electric shop performs lighting preventative maintenance for all external lighting monthly. The building maintenance shop conducts monthly building rounds to identify interior lighting issues, building egress issues, and perform other related safety inspections. The lock shop performs preventative maintenance to all main entry doors for proper operation and verify that card and key access is working properly. On a monthly basis, Community Service Officers perform checks to ensure the proper working condition of alarms, blue e-poles, light fixtures, door locks, etc. All repairs are the responsibility of FDM. FDM responds to reports of potential safety and security hazards such as broken windows, locks, and lighting problems.

To report a potential hazard, call FDM during business hours at (760) 750-4601 or submit a customer request online. After hours, call the UPD at (760) 750-4567. Housing maintenance staff are responsible for all safety and key/lock issues in the UVA and QUAD. Housing-related concerns can be reported to a Housing and Residential Education staff member by calling the front desk during business hours, calling the resident assistant (RA) on duty after business hours, or submitting a work order through the Housing Portal.

Systemwide Law Enforcement Policy, Law Enforcement Authority

Persons employed and compensated as members of a California State University police department, when so appointed and duly sworn, are peace officers. However, such peace officers
shall not exercise their powers or authority except (a) at the headquarters or upon any campus of the California State University and in an area within one mile of the exterior boundaries of each campus or the headquarters, and in or about other grounds or properties owned, operated, controlled, or administered by the California State University, or by trustees or the state on behalf of the California State University, and (b) as provided in Section 830.2 of the Penal Code.

The arrest authority outside the jurisdiction of the CSU Police Department includes (Penal Code § 830.2(c); Penal Code § 836):

a. When the officer has probable cause to believe the person committed a felony.

b. When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape.

c. When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute.

d. When authorized by a cross jurisdictional agreement with the jurisdiction in which the arrest is made.

e. In compliance with an arrest warrant.

On duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the State, or while assisting another agency.

On duty officers who discover criminal activity outside the jurisdiction of the State should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

California State University encourages accurate and prompt reporting of crime. All members of the Campus community are encouraged to promptly contact the UPD and/or other appropriate police agencies when they have been the victim of, or have witnessed criminal actions, including when the victim of crime elects to or is unable to make such a report.

Pursuant to the California Education Code Section 67381, known as the Kristin Smart Campus Safety Act of 1998, the CSUSM UPD and the San Diego County Sheriff's Department have an inter-agency law enforcement assistance agreement.

The CSUSM UPD shall be the primary reporting and investigating law enforcement agency for all crimes reported on University properties that are leased, owned, controlled, or operated by the University inside the city limits of San Marcos, with the exception of willful homicides and officer-involved shootings, which will be investigated by the San Diego County Sheriff’s Department.

Traffic collisions where the initial “area of impact” occurred on University roadways will be investigated by the UPD. Traffic collisions where the initial “area of impact” occurred on streets maintained by the City of San Marcos will be investigated by the San Diego County Sheriff’s Department.

1 Including the authority to make arrests
The San Diego County Sheriff’s Department will be the lead investigative agency when a criminal investigation requires the use of specialized equipment/tools, resources, and/or expertise that in the opinion of the UPD Chief of Police (or designee) is beyond the capability of the UPD to investigate. However, as a professional courtesy, the Sheriff’s Department shall keep the UPD informed of the progress of said investigation. Both agencies will continue to provide assistance or mutual aid as necessary and when requested.

All landline 9-1-1 calls from ancillary locations will be received by the UPD. To the extent technologically possible, cellular 9-1-1 calls coming from 200-240 East Barham Road (Quad Apartments), 288 Campus Way (Extended Learning Building) and 295 June Way (Parking Structure II), 190 E. Barham Drive (North Commons) are programmed to be received by the UPD Public Safety Answering Point (PSAP). Misrouted cellular 9-1-1 calls from 200-240 East Barham Road will be redirected to the UPD as soon as possible, when appropriate.

CSUSM at Temecula

The Temecula campus is located at 43890 Margarita Road, Temecula, CA 92592 in southwest Riverside County. The Temecula Police Department has primary jurisdiction for the safety and security of the CSUSM at Temecula campus. Temecula Police is located at 30755-A Auld Rd., Murrieta, California and can be reached 24 hours per day at 911 or 951-696-3000. The Riverside County Sheriff manages the regional 911 call center. Security Awareness and Crime Prevention Programs

Members of the CSUSM community must take responsibility for their own personal safety, the safety of others, and their property (when possible), as they do when away from the University. Members of the community are strongly encouraged and reminded by the University Police Department throughout the year to:

- Promptly report all crimes and suspicious persons or activity to the UPD
- Always be aware of your personal safety and surroundings.
- Never leave your property unattended, lock bicycles, lock doors and windows to your car, office, and residence.
- Always double check your doors and windows to ensure they are completely closed and locked before you go to sleep or leave your room or residence.
- Keep all valuables with you or leave them at home.
- Walk on well-traveled pathways and in well-lit and populated areas. Walk with friends or groups when possible.
- Call UPD to request a safety escort if you feel afraid or need to walk in isolated areas or at times when areas are unpopulated or closed.
- Get to know people in and around your place of residence. Do not invite or let unknown people into your residential building, nor go with them to an unfamiliar place. If you know someone by their first name only or met them on the internet, consider them a stranger.
- Keep a list of serial numbers and description of your property and provide it to the UPD in the event your property is stolen.
- Use the internet wisely and never send money or provide personal identifying information, credit card information or bank information to someone you do not know or to a company or person you did not initiate contact with on your own.
• Use good bicycle theft prevention measures, use a combo, or flat key u-lock. Most cable locks can be easily cut. Lock both the front and rear wheels when possible and make sure to put your lock(s) through a closed part of the bike frame. Wheels can be easily taken off. Register your bike with the UPD.

The University Police Department offers crime prevention programs to the campus community. Such programs include, but are not limited to:

• **Personal Safety Escort Services:** During the hours between dusk and dawn, personal safety escorts are provided as an additional measure of safety. Escorts are provided to and from campus buildings, campus parking lots, immediate bus stops, and areas immediately adjacent to campus property. An escort can be arranged by calling (760) 750-4567. A CSO or University Police Officer will escort the requester by automobile, bicycle, or on foot from a campus building to their vehicle, parking lot, or residence hall.

• **Cougar Watch:** is a community-based crime prevention program patterned after the successful Neighborhood Watch program used in many cities. UPD officers present information on crime prevention and safety programs for students and employees at campus events such as “Welcome Week.” The UPD also provides crime prevention information, safety brochures, and information on other topics such as campus safety, self-protection for women, sexual harassment on campus, personal safety, campus theft, and emergency preparedness.

• **Security Surveys:** Police officers are available (upon request) to provide information to students, staff, and faculty concerning personal/property safety and office security surveys. To schedule a tailored workshop or presentation please contact the UPD at (760) 750-4567.

**Security Awareness Programs**

PREVENTION OF WORKPLACE VIOLENCE
Upon request, UPD personnel will provide classroom training in recognizing and preventing workplace violence. With the understanding that creating a safe workplace environment starts with a Zero Tolerance Policy regarding acts of intimidation, threats of violence, or acts of violence, the next step is to provide the information necessary to recognize potential workplace violence situations in order to prevent or minimize the violence. This class also provides students with a clear understanding of their duties and responsibilities with respect to workplace violence. Interested persons can access workplace violence prevention videos from the UPD’s Internet homepage: www.csusm.edu/police.

OFFICE SECURITY SURVEYS AND PERSONAL SAFETY PRESENTATIONS
Upon request, UPD personnel will provide office security surveys and employee safety presentations. Providing a quality education to students is the University’s primary goal and maintaining a safe workplace environment is a critical component in the overall campus educational equation.

Monitoring and Recording Crime Activity at Noncampus Locations of Student Organizations

There are no Noncampus residential locations permanently owned or controlled by officially recognized student organizations. The institution sends letters to collect information about crimes reported to the law enforcement agency with jurisdiction over noncampus locations that are controlled intermittently or on an occasional basis, and discloses the information obtained in its crime statistics. For crimes occurring at off-campus locations, the law enforcement agency with jurisdiction in that area should be contacted. UPD does not actively patrol or monitor criminal activity in real time at any noncampus locations owned or controlled by officially recognized student organizations.

Possession, Use, Sale and Enforcement Of Federal and State Alcohol and Drug Laws

Pursuant to the Federal Drug-Free Workplace Act of 1988 and the Federal Drug-Free Schools and Communities Act (DFSCA) of 1989, California State University San Marcos is a drug-free workplace and learning community. Any unlawful manufacture, sale or attempted sale, distribution, dispensing, possession, or use of controlled substances by employees, students or members of the campus community is prohibited on University property or at University functions or activities.

STUDENT RESPONSIBILITIES
Use of alcohol and other drugs by students is stipulated in the Drug-Free Campus Policy and the Alcohol Use on Campus Policy.

All students are required to abide by University policies regarding use, possession, consumption, distribution or presence of alcohol and other drugs in residence halls and University property. Students are also to adhere to Federal, state, and local regulations regarding alcohol and other drugs. Violation of campus policy on drugs and alcohol may result in disciplinary sanctions.

FACULTY/STAFF RESPONSIBILITIES
All employees must adhere to the Drug-Free Campus Policy and the Alcohol Use on Campus Policy. Violation of this policy may result in disciplinary sanctions which may include termination.

LOCAL, STATE, AND FEDERAL LAWS
There are numerous Federal, State, and local statutes and ordinances relating to the manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol. These statutes impose legal sanctions for both felony and misdemeanor convictions related to violations of applicable laws and ordinances. Detailed information regarding these statutes, which may change over time, is available from the University Police Department. Scheduled drugs considered to be controlled substances are listed in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and are further defined by regulations 21 CFR 1308.11 through 1308.15. Copies of the Act and regulations are available for review via the California Legislative Information website.

ACCORDING TO FEDERAL AND/OR STATE LAWS
1. The manufacture, sale, or distribution of all scheduled drugs is a felony, which could result in serving time in prison; simple possession of controlled substances can be punished by civil fines of up to $10,000 per violation and a jail sentence.
2. Distribution or possession with the intent to distribute a controlled substance on University property requires a sentence up to twice the prescribed sentence for the original offense, and twice the prescribed parole time.
3. The cultivation, possession for sale, or sale of marijuana is a felony.
4. Possession of one ounce or more of marijuana for personal use is a misdemeanor, which could include payment of a fine or serving time in jail; possession of less than one ounce for personal use is a misdemeanor, which could include a fine up to $100.00.
5. It is a misdemeanor to sell, furnish, give, or cause to be sold, furnished, or given away, any alcoholic beverage to a person under 21 or any obviously intoxicated person, and no one under 21 may purchase alcoholic beverages.
6. It is unlawful for any person under 21 to possess alcoholic beverages on any street or highway or in any place open to public view.

HEALTH IMPACTS
Alcohol misuse is described as alcohol consumption that puts individuals at increased risk for adverse health and social consequences. It is defined as excess daily consumption (more than 4 drinks per day for men or more than 3 drinks per day for women), or excess total consumption (more than 14 drinks per week for men or more than 7 drinks per week for women), or both. (National Institute on Alcohol Abuse and Alcoholism here). Excessive alcohol use, including underage drinking and binge drinking (for women, 4 or more drinks during a single occasion; for men, 5 or more drinks during a single occasion), can lead to increased risk of health problems such as injuries, violence, liver diseases, and cancer. The Centers for Disease Control and Prevention (CDC) Alcohol Team -here defines alcohol misuse as a pattern of drinking that results in harm to one's health, interpersonal relationships, or ability to work. Excessive drinking includes heavy drinking, binge drinking or both. Alcohol dependence, also known as alcohol addiction and alcoholism, is a chronic disease and is associated with experiencing withdrawal symptoms, loss of control, or alcohol tolerance.

Alcohol and substance misuse and substance use addiction result in a wide spectrum of extremely serious health and behavioral problems, having both short-term and long-term effects on the body and mind.

Alcohol misuse is a risk factor for several adverse health outcomes including:

- Unintentional injuries (e.g., motor vehicle accidents, falls)
- Violence (e.g., homicide, suicide)
- Liver disease
- Diseases of the central nervous system (e.g., stroke, dementia)
- Heart disease including coronary artery disease, atrial fibrillation (i.e., abnormal heart rhythm), high blood pressure, and congestive heart failure
- Various cancers (e.g., breast, colorectal, and liver)
- Risky sexual behaviors and adverse pregnancy outcomes

Many substances, both illegal and legal, have the potential for misuse. Common examples include cocaine, ecstasy, heroin, inhalants, marijuana, methamphetamine, PCP/Phencyclidine, and prescription narcotics. The impacts of substance misuse on health problems include the risk of dependence, addiction, overdose, and death which can occur after first-time use. Long-lasting health effects of substance misuse include disruption of normal heart rhythm, high blood pressure, leaks of blood vessels in the brain, bleeding and destruction of brain cells and permanent memory
loss, infertility, impotency, immune system impairment, kidney failure, cirrhosis of the liver, pulmonary damage, and psychological problems. Alcohol and substance misuse during pregnancy may result in fetal damage and birth defects causing hyperactivity, neurological abnormalities, and developmental difficulties. In addition to the problem of toxicity, contaminant poisoning often occurs with illegal drug use. HIV infection associated with intravenous drug use is a prevalent hazard.

**Alcohol and Other Drug Support Programs and Assistance**

A variety of services have been designed to help prevent or treat substance abuse. Employees and students are encouraged to seek assistance for substance abuse or dependency problems voluntarily (self-referral). These services include workshops regarding substance abuse; individual case evaluation, counseling, referral to outside counseling and treatment providers, treatment follow-up, and assistance in dealing with health care providers.

For employees, information regarding services related to substance abuse problems or concerns is available from Human Resources and Equal Opportunity. Confidential assistance for employees is also available through the Employee Assistance program at 1-800-342-8111 or [https://www.csusm.edu/hr/benefits/other_programs/employee_assistance_program.html](https://www.csusm.edu/hr/benefits/other_programs/employee_assistance_program.html)

For students, on-site and/or referral services are available through Student Health and Counseling Services [https://www.csusm.edu/shcs/emergency/links.html](https://www.csusm.edu/shcs/emergency/links.html). Counseling Services staff members are available for consultation with University employees regarding students with possible substance abuse problems.

Information disclosed by an employee who is participating in an Employee Assistance Program or a student participating in counseling services is considered confidential, in accordance with Federal and State laws and University policies.

Help with alcohol and substance misuse can be obtained from the Substance Abuse and Mental Health Services Administration (SAMHSA) National Helpline at 1-800-662-HELP (4357) or TTY: 1-800-487-4889 or use SAMHSA’s Behavioral Health Treatment Services Locator [https://findtreatment.samhsa.gov/](https://findtreatment.samhsa.gov/) to get help.

**Discipline and Sanctions**

Consistent with procedures established pursuant to Section 41304 of Title V of the California Code of Regulations, any student at Cal State San Marcos may be expelled, suspended, placed on probation, or given a lesser sanction for violating University policies and campus regulations. Students found to be in violation of this program may be required to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

Pursuant to the Drug Free Workplace Act, all employees are required, as a condition of their
employment, to: (a) abide by the terms of this policy; and (b) notify the Office of Human Resources and Employment Opportunity of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. In compliance with the Drug Free Workplace Act, employees found to be in violation of the University Policy on a Drug Free Campus may be: (a) subject to corrective or disciplinary action, up to and including termination or, (b) at the discretion of the University, required to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency. Sexual Violence Prevention

The California State University (CSU) promotes a safe living, learning, and working environment through systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.

All training must be consistent with the applicable CSU policy and state and federal regulations.

Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group’s members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

Training for Employees
Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC).

Under Cal. Govt. Risk Reduction
The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.
**Sexual Misconduct/Sexual Assault**

The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

- Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.
  - Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
  - Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
  - Affirmative Consent can be withdrawn or revoked at any time.
  - Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
  - Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
  - Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.

- Do not engage in sexual activity with someone who is incapacitated.
  - A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
  - A person who is unconscious or asleep cannot give Affirmative Consent.
  - A person’s own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from any person with whom they engage in sexual activity.

- Signs that someone does not respect the importance of consent:
  - They pressure or guilt you into doing things you may not want to do.
  - They suggest you “owe” them something (including sexual acts) because you’re dating or because they have done or claim to have done something for you.
  - They react negatively with sadness, anger, or resentment if you don’t consent to something or don’t do so immediately

**Dating/Domestic Violence**

**Common Signs of Abusive Behavior in a Relationship**

According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive.
• Showing extreme jealousy of friends or time spent away from a partner.
• Preventing or discouraging one’s partner from spending time with friends, family members, or peers.
• Insulting, demeaning, or shaming a partner, especially in front of other people.
• Preventing one’s partner from making their own decisions about working or attending school.
• Controlling finances in the household without discussion, including taking a partner’s money or refusing to provide money for necessary expenses.
• Pressuring one’s partner to have sex or perform sexual acts they are not comfortable with.
• Pressuring a partner to use drugs or alcohol.
• Threatening to harm or take away a partner’s children or pets.
• Intimidating one’s partner with weapons
• Destroying a partner’s belongings or home

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1.800. 799.SAFE (7233), which is free and confidential.

• Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:
  o Seems nervous around you,
  o Seems afraid of you,
  o Flinches, cringes, or retreats when you are emotional,
  o Seems scared, or unable to contradict you or speak up around you, and/or
  o Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it's vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1.800. 799.SAFE (7233), which is free and confidential.

Stalking

Respecting Boundaries

If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

Recognizing Stalking Behaviors

A person who engages in stalking may:

• Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc.
• Follow the person and seem to “show up” wherever they are.
• Send unwanted gifts.
• Damage home, car, or other property.
• Monitor phone calls or computer use.
• Drive or linger near the home, school, or work of the person they are stalking.
• Use other people to try and communicate with the person they are stalking, like children, family, or friends.

[Source: Victim Connect Resource Center]

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking

• Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911
• Keep a record or log of each contact with the stalker
• Save evidence when possible, such as emails, text messages, postings on social media, etc.
Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

**Bystander Intervention**

The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

- Notice the Event
- Interpret the Event as a Problem
- Assume Personal Responsibility
- Learn How to Help
- And Step Up by utilizing the “4 Ds” – Direct, Distract, Delegate, and Delay
  - Direct – Directly addressing the situation.
  - Distract – Making a simple (or elaborate) distraction to diffuse the situation.
  - Delegate – Finding someone else to address the concern.
  - Delay – Checking in with the person after to see if you can do anything to support them.

**CSU Policy Definitions**

Definitions of conduct that is prohibited under CSU policy are found in Article VII of the CSU Nondiscrimination Policy. These definitions are applicable in relation to the University’s administrative processes and may differ from the criminal law definitions (California) found in Appendix A.

**Preservation of Evidence in cases of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking**

It is important that you take steps to preserve and collect evidence; doing so preserves the full range of options available to you, be it through the University’s administrative complaint procedures or criminal prosecution. To preserve evidence: (1) do not wash your face or hands; (2) do not shower or bathe; (3) do not brush your teeth; (4) do not change clothes or straighten up the area where the assault took place; (5) do not dispose of clothes or other items that were present during the assault, or use the restroom; and, (6) seek a medical exam immediately. If you already cleaned up from the assault, you can still report the crime, as well as seek medical or counseling treatment. You should preserve text messages, social media postings, or notes that demonstrate the course of conduct. Contemporaneous photos of bruises or other injuries are helpful. You may consult with the campus Title IX Coordinator or Sexual Assault Victim’s Advocate for assistance as well.
**Reporting Options**

The University’s primary concern is your safety and the safety of the campus community. The use of alcohol or drugs never makes the victim at fault for sexual misconduct/sexual assault. If you have experienced sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking you should not be deterred from reporting the incident out of a concern that you might be disciplined for related violations of drug, alcohol, or other University policies. A person who participates in investigations or proceedings involving sexual misconduct/sexual assault will not be subject to discipline for related violations of the Student Conduct Code or other University policies at or near the time of the incident unless the University determines the conduct places the health and safety of another person at risk or is otherwise egregious. You have several reporting options, and you may pursue one or more of these options at any time. It is your right to have a friend, family member, Sexual Assault Victim’s Advocate, or other representative present with you while reporting the incident. You also have the right to have a sexual assault counselor, Sexual Assault Victim’s Advocate and/or support person of your choice present with you during a rape examination. You are strongly encouraged to report any incidents to the police and/or campus Title IX Coordinator so that steps may be taken to protect you and the rest of the campus community. However, non-reporting is also an option.

Reporting to university police and/or local police is an option at any time. If you choose not to report to the police immediately following an incident, you can still make the report at a later time. However, with the passage of time, the ability to gather evidence to assist with criminal prosecution may be limited. Depending on the circumstances, the police may be able to obtain a criminal restraining order on your behalf. The campus Title IX Coordinator or Sexual Assault Victim’s Advocate can assist you in notifying the police if you choose.

The campus is required by law to disclose reports of some crimes (including dating violence, domestic violence, sexual assault/sexual misconduct, and stalking) including through the daily crime log, the Annual Security Report, and Timely Warning Notices as explained in greater detail below. However, while the University will include reportable incidents in these disclosures, the victim’s name/identity will not be included in publicly available records or reports.

**Protective Orders**

You may also choose to obtain a protective or restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can protect victims who have experienced or are reasonably in fear of physical violence, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking. University police, advocates, and your campus Title IX Coordinator can offer assistance with obtaining a protective or restraining order.

Court-based legal service providers, the Legal Aid Society of San Diego, and the San Diego Volunteer Lawyer Program offer remote assistance by phone, email, and video conference. You are encouraged to seek assistance from a legal service provider before visiting the courthouse. Providers are attorneys and legal professionals who can explain procedures, prepare your forms, and write your declaration. Services are provided at no cost.

**Legal Aid Society of San Diego (LASSD)**
Remote assistance is available by phone and video conference. LASSD will prepare your
forms and email them to you or to the courthouse for pick up and filing. 877-534-2524, Ext. 2844

San Diego Volunteer Lawyer Program (SDVLP)
Remote assistance is available by phone and video conference. SDVLP will prepare your forms and email them to you or to the courthouse for pick up and filing. Apply for assistance online by filling out the Restraining Order Screening Form at sdvlp.org.

Students, faculty, and staff are encouraged to contact UPD Dispatch at ext. 4567 to notify the University Police of the existence of a restraining order. A hard copy can be delivered to the Public Safety Building or sent via e-mail to dispatch@csusm.edu. UPD will maintain a copy on file and a report documenting the existence of the restraining order is prepared by an officer. The institution will work with both parties to ensure the restrained individual’s compliance with all orders in situations where both parties maybe present such as class, on campus housing, or other University functions.

Supportive Measures
Supportive Measures are individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent regardless of whether a Formal Complaint is filed. Supportive Measures are designed to restore or preserve equal access to CSU education programs or activities, or the workplace without unreasonably burdening the other Party, including to protect the safety of all Parties or the educational or work environment. Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus, and other similar measures. The Title IX Coordinator/DHR Coordinator is responsible for coordinating the effective implementation of Supportive Measures. Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures.

Written Notification
Along with the information provided in the outreach communication, the Title IX Coordinator will provide Complainants alleging Sexual Misconduct, Sexual Exploitation Dating Violence, Domestic Violence or Stalking, with the information in Attachment D to the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation - Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Sexual Exploitation, Dating And Domestic Violence, And Stalking.

This written notifications states that the Campus and Title IX Coordinator will provide supportive measures, if they are reasonably available, regardless of whether [the victim] chooses to report sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking to Campus or local police; and also that they will:

- Assist [the victim] in accessing other available victim advocacy, academic support, counseling, disability, medical/health or mental health services, and legal assistance both on and off campus;
• Make connections to individuals on campus who can provide support and solutions with respect to a variety of logistics, including transportation assistance, visa/immigration assistance, and financial aid assistance;
• Provide other security and support, which could include issuing a mutual no-contact order, helping arrange a change of campus-based living or working arrangements or course schedules or adjustments for assignments, tests, or work duties; and
• Inform you of your right to report a crime to university or local police – and provide you with assistance if you wish to make such a report.

Contact the campus Title IX Coordinator to request an accommodation.

Attachment D also informs victims that disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will:

• Provide a prompt, fair, and impartial process and resolution;
• Be conducted by officials who receive annual training on sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking, including how to conduct a process that protects the safety of members of the campus community and promotes accountability;
• Provide the Complainant and the Respondent the same opportunity to be accompanied to any related meeting or proceeding by an Advisor of their choice;
• Simultaneously inform the Complainant and the Respondent in writing of:
  • The disciplinary outcome;
  • The procedures available to appeal the results of the disciplinary outcome;
  • Any change to the disciplinary results that occurs prior to the time such results become final; and
  • When disciplinary results become final.

This same information is provided in writing to all students and employees within the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation, and as part of annually assigned training.

Disciplinary Procedures
The following statements are excerpts from the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“the Policy”). As required by law, the excerpts in this Annual Security Report capture the steps, decision makers, and anticipated timelines for both formal and informal resolution processes, as applicable. For details beyond the steps, decision makers, and anticipated timelines, please see the policy.

The campus Title IX Coordinator is the designated administrator to receive reports of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and associated Retaliation.
Complaints against a Chancellor’s Office employee, or a campus Title IX Coordinator/ Discrimination, Harassment, and Retaliation Administrator (“DHR Administrator”) will be made to the Chancellor’s Office at eo-wbappeals@calstate.edu. ³

The campus will respond in a timely and appropriate manner to all Complaints and will take appropriate action to prevent continuation of and correct Policy violations.

After receiving a report, the Title IX Coordinator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include information regarding potential Supportive Measures, where applicable. The Title IX Coordinator will describe and offer Supportive Measures to Complainants during the initial assessment (even if the Complaint is ultimately not investigated). Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus, and other similar measures.

The Title IX Coordinator will make reasonable efforts to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial, neutral, and free from actual Conflicts of Interest.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator’s duty to weigh any victim’s request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matters involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking, the training shall also include how to conduct an investigation and hearing process that protects the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during meetings or any stage of the Complaint process. The Parties also have the right to consult

³ Complaints against a President should be made to the Chancellor’s Office, but only if it is alleged that the president directly engaged in conduct that violates the Policy. Any other Complaints against a president (for example, that the president had no substantial involvement other than to rely on or approve a recommendation made by another administrator) will be made to and addressed by the campus.
with an attorney, at their own expense, or a union representative at any stage of the process if they
wish to do so. An attorney or union representative may serve as a Party’s chosen Advisor. The
unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

**Applicable Procedures**

The campus will investigate or otherwise respond to reports of alleged misconduct committed by
a student in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual
Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation
Made Against a Student (“Student Respondent Procedures”) if the alleged misconduct violates the
Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student’s or Employee's ability to participate in a program, activity, or
  employment; AND
- The alleged misconduct was committed by a person who at the time of the alleged
  misconduct was a student.

The campus will investigate or otherwise respond to reports of alleged misconduct committed by
an Employee or Third-Party in accordance with the Procedures for Complaints of Discrimination,
Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence,
Stalking, and Retaliation Made Against an Employee or Third-Party (“Employee or Third-Party
Respondent Procedures”) if the alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student’s or Employee's ability to participate in a program, activity, or
  employment; AND
- The alleged misconduct was committed against a person who at the time of the alleged
  misconduct was a student, or the alleged misconduct was committed by or against an
  Employee.

Depending on the circumstances, the campus response may or may not include a formal
investigation. When a Complainant requests that no investigation occur, the Title IX Coordinator
will balance the request against the campus' duty to provide a safe and nondiscriminatory
environment for all members of the campus community.

**The Track System**

There are three possible sets of procedures (“tracks”) for formal resolution of Complaints against a
Student 4(Track 1, Track 2, Track 3) as required by federal and state law. There are two sets of

4 A Complaint against a Student-Employee where the alleged conduct arose out of the
Respondent’s status as an Employee and not their status as a student, should be made using the
Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation,
Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-
Party.
procedures ("Tracks") for formal resolution of Complaints against an Employee or a Third-Party (Track 1 or Track 3) as required by federal and state law. The remaining track, track 2: State Mandated Hearing Process, is not applicable to Complaints against Employees or Third Parties, as it applies only to certain Complaints against Students. Which procedure applies to any given Complaint will depend on a variety of factors described below. Questions about which procedures apply to any specific case should be directed to the campus Title IX Coordinator and/or the Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator").

Prior to a Notice of Investigation being sent to the Complainant and the Respondent, the Title IX Coordinator/DHR Administrator will determine which Track applies.

- **Track 1** applies when the alleged conduct:
  - Meets the definition of Sexual Harassment as defined in Article VII.C of the Policy; and
  - Occurred in the United States; and
  - Occurred in an education program or activity at the university, as defined in Track 1

- **Track 2** applies when:
  - The Complaint is against a student; and
  - The Complaint is one of Sexual Misconduct, Dating Violence, or Domestic Violence; and
  - The credibility of one (or both) of the Complainant and the Respondent ("the Parties"), or any witness is central to the determination as to whether the student violated the policy; and
  - The student is facing a severe disciplinary sanction (expulsion or suspension) if found to be in violation of university Policy.

- **Track 3** applies to all other Complaints under these procedures that allege a Policy violation.

Under Track 1 or 2, the campus will conduct an investigation, and the Complaint will proceed to a hearing unless otherwise resolved. An Investigator will first interview the Complainant, the Respondent, and any witnesses, and gather any documentary evidence. The hearing will occur once an investigation has finished. During the hearing, a hearing officer listens to the witnesses, including the Complainant and the Respondent, and analyzes the evidence, before deciding whether or not the Respondent violated the Policy.

Under Track 3, an Investigator interviews the Complainant, the Respondent, and any witnesses, gathers any documentary evidence, analyzes the evidence, and decides whether or not the Respondent violated the Policy. There is no hearing in Track 3 cases.

**Standard of Evidence**

The Preponderance of the Evidence based on the facts available at the time of the decision is the standard for demonstrating facts and reaching conclusions in an investigation and hearing that uses the Procedures. Preponderance of the Evidence means the greater weight of the evidence; i.e., that the evidence on one side outweighs, preponderates over, or is more than, the evidence on the other side.

**Dismissal/Referral**
When the Title IX Coordinator receives a Formal Complaint under Track 1, or where new information or events arise under this Track, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process under Track 1. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a mandatory dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the campus may have an obligation to address the matter under other laws and policies. The Title IX Coordinator will determine whether allegations in a Formal Complaint must be dismissed for purposes of the Federal Regulations. If a Formal Complaint is dismissed it may still be referred, if appropriate, to be addressed under the processes in Track 2 or Track 3, CSU Executive Order 1098, or other applicable policies.

At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if the Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it, or if the specific circumstances prevent the campus from gathering evidence necessary to reach a determination as to the Complaint or part of the Complaint.5

Written notice of dismissal (mandatory or discretionary) and reason(s) for the dismissal will be sent simultaneously to the Parties when a Title IX Coordinator dismisses any Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process, and the process for submitting an appeal.

Either Party may appeal from a dismissal of a Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the notice of dismissal.

Appeals against a dismissal under Track 1 will be filed with the Chancellor's Office (CO) and will be addressed to:

Systemwide Title IX Unit
Systemwide Human Resources
Office of the Chancellor
TIX-Dismissal-Appeals@calstate.edu

Appeals against a dismissal under Track 2 or Track 3 will be submitted to the Chancellor's Office and will be addressed to:

Equal Opportunity and Whistleblower Compliance Unit
Systemwide Human Resources
Office of the Chancellor
401 Golden Shore
Long Beach, California 90802
eo-wbappeals@calstate.edu

If a Party is unable to file an appeal or a response to an appeal electronically, they should contact the campus Title IX Office for assistance. When an appeal is submitted, the other Party as well as the campus Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written

5 Formal complaints under track 1 may be discretionarily dismissed for the additional reason that the Respondent is no longer a student or Employee
Informal Resolution

The CSU recognizes some Parties may desire resolution of their matter through an Informal Resolution process ("Informal Resolution"), instead of through the formal resolution process (described below). Accordingly, Parties may mutually agree, with the agreement of the Title IX Coordinator, to resolve a Complaint through an Informal Resolution process, instead of undergoing the formal resolution process. The Informal Resolution process is entirely voluntary and will not occur unless both Parties agree in writing to participate in an Informal Resolution process.

The Title IX Coordinator/DHR Administrator will oversee the Informal Resolution process, conduct an initial and on-going assessment as to whether the Informal Resolution process should continue, and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Complaint. In some circumstances, depending on the nature and/or severity of the allegations, an Informal Resolution may not be appropriate, and the Title IX Coordinator/DHR Administrator will not approve an Informal Resolution. Prior to approving an Informal Resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator in human resources or faculty affairs.

Prior to engaging in an informal resolution process, the campus will obtain the Parties’ voluntary, written consent. Parties who choose to participate in the voluntary Informal Resolution process will be sent a notice of agreement to engage in Informal Resolution.

The Informal Resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process.

Any agreed-upon Remedies and disciplinary sanctions agreed to in an Informal Resolution have the same effect as Remedies given and sanctions imposed following an investigation (and/or hearing), consistent with an applicable collective bargaining agreement.

The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. The resolution will be final and not appealable by either Party.

Investigation and Hearing for Track 1

Supportive Measures

After receiving a report of Sexual Harassment, the Title IX Coordinator will contact the Complainant promptly to discuss the availability of Supportive Measures. The Title IX Coordinator will conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Policy violation to discuss the Complainant’s options, explain the process, and provide information about Supportive Measures. During the discussion,
the Title IX Coordinator will consider the Complainant’s wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without the filing of a Formal Complaint, and explain the process for filing a Formal Complaint.

**Notice of Allegations**

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will simultaneously provide both Parties a written notice of allegations. If new allegations are raised during the investigation that were not included in the notice of allegations, a revised notice of allegations will be issued simultaneously to the Parties. If the notice of allegations also serves as notice of a Respondent’s expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The notice of allegations must be provided to a Respondent at least 5 Working Days prior to the interview. If a Respondent requests to meet sooner than 5 Working Days after receipt of the notice of allegations, they should verbally confirm at the start of the meeting that they were aware that they were provided notice of at least 5 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

**Investigation of a Formal Complaint**

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with Track 1.

The investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The investigator will document the steps taken to gather evidence, even when those efforts are not successful.

The Complainant and the Respondent may each elect to be accompanied by an Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The advisor may be anyone, including a union representative from the Complainant’s or Respondent’s collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim’s Advocate.

Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Track 1.

---

7 Formal Complaint means a document or electronic submission filed by a Complainant that contains the Complainant’s physical or digital signature or a document signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting an investigation of the allegation of Sexual Harassment. At the time that the Formal Complaint is filed, a Complainant must be participating in or attempting to participate in an Education Program or Activity of the CSU.
If a Party requests to meet with the Title IX Coordinator sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they are aware that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

**Review of Evidence**

Before issuing a final investigation report, the investigator will send to the Complainant and Respondent, and their respective advisors, if any, all evidence (including evidence upon which the campus does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (preliminary investigation report).

Each Party will be given a minimum of 10 Working Days for the initial review of evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party’s request). The extension must be made available to both Parties, who must be notified as such. During the review of evidence, each Party may:

- Meet again with the investigator to further discuss the allegations.
- Identify additional disputed facts.
- Respond to the evidence in writing.
- Request that the investigator ask additional specific questions to the other Party and other witnesses.
- Identify additional relevant witnesses.
- Request that the investigator gather additional evidence.

The investigator will share with the Parties the answers to questions posed during the review of evidence. If additional disputed material facts are identified or evidence is gathered, it will be included in the preliminary investigation report (or in a separate addendum) and shared with all Parties, who will be given a reasonable opportunity to respond to the new evidence and submit additional questions to the other Party and other witnesses about the new evidence only. The investigator determines when it is appropriate to conclude the review of evidence.

**Final Investigation Report**

After the review of evidence phase is concluded, the Parties will receive a final investigation report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional relevant evidence received during the review of evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the final investigation report as exhibits. The final investigation report shall be sent to the Parties and their respective advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Advisors from downloading or copying the evidence) or hard copy. The Parties and their advisors will be provided 10 Working Days to review and provide a written response to the final investigation report.

**Timeframe**

49
Absent a determination of good cause made by the investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the notice of allegations is provided to the Parties; and (ii) the final investigation report should be completed and provided to the Parties within 10 Working Days after the review of evidence has concluded. Extensions may be granted for good cause as determined by the Title IX Coordinator. The Parties will receive written notice from the Title IX Coordinator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Formal Complaint process.

Within 10 Working Days after the Parties have been provided the final investigation report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described below. The Parties will be required to provide the name and contact information for their hearing advisor within 5 Working Days after notice of the hearing timeline.

**Track 1 Hearing**

The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the hearing officer. Notification of the hearing will be sent to the designated CSU campus email address, unless the recipient has specifically requested in writing to the hearing coordinator that notice be given to a different email address. Communications from the hearing coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing. Any objections to an appointed hearing officer must be made in writing to the hearing Coordinator within 5 Working Days after notice of the identity of the hearing officer has been communicated to the Parties.

No later than 15 Working Days before the hearing, each Party may provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party’s proposed witnesses as well as an explanation of the relevance of each proposed witness's testimony and the disputed issue to which the witness’s testimony relates. The hearing officer may also identify witnesses from the final investigation report.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be directed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator.

No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the hearing coordinator. The questions will be provided to the hearing officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the hearing officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

The hearing will begin with an overview of the hearing process given by the hearing officer, after which the Parties will be given an opportunity to ask questions about the hearing process. Each Party will be given an opportunity to make an opening statement that may not last longer than 10 minutes. Only the Parties themselves will be permitted to make opening statements. The hearing advisor and any advisor are not permitted to make the opening statement. The advisor may not speak during the hearing. Closing arguments will not be made.

Generally, the hearing officer will start the questioning of witnesses and Parties. The Investigator or the Title IX Coordinator (if not the Investigator) will be the first witness and will describe the
Formal Complaint, investigation process, and summarize the evidence. Hearing advisors will be permitted to ask Relevant questions once the hearing officer has concluded their questioning of the other Party and each witness. The hearing officer may ask questions of any Party or witness who participates in the hearing.

**Determination Regarding Responsibility Under Track 1**

After the hearing, the hearing officer will make written findings of fact and conclusions about whether the Respondent violated the Policy with respect to the definition of Sexual Harassment[^8]. The hearing coordinator will Simultaneously send the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the appropriate campus administrator, usually within 15 Working Days of the close of the hearing.

If no violation of the Policy is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the hearing officer’s report (redacted as appropriate or as otherwise required by law) and notice of the Complainant’s and Respondent’s right to appeal to the Chancellor’s Office.

If a violation of the Policy is found, within 5 Working Days of receiving such finding the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and/or appropriate campus administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that provides a recommendation regarding the disciplinary outcome, including information regarding prior disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the hearing officer will submit the hearing officer's report to the president (or designee). The hearing officer’s report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent ("final hearing officer's report"). The final hearing officer’s report will attach the final investigation report.

In cases where the hearing officer has found a violation of the Policy, the president (or designee) will review the final investigation report and the final hearing officer’s report and issue a decision ("decision letter") concerning the appropriate sanction or discipline within 10 Working Days of receipt of the final hearing officer's report.

The president (or designee) will simultaneously send the decision letter electronically to the Respondent and Complainant at the campus-assigned or other primary email address linked to their campus accounts.[^9] The decision letter will include:

[^8]: See definition of Sexual Harassment in the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation

[^9]: Communication with Parties who are neither Students nor Employees will be sent to an email address that they designate.
• The outcome of the hearing, including any sanction imposed, and the name of the Respondent(s).
• Information regarding the procedures and permissible bases for the Complainant and Respondent to appeal to the Chancellor’s Office.
• If a finding of responsibility is made against the Respondent, a statement as to whether Remedies will be provided to the Complainant that are designed to restore or preserve equal access to the campus's education program or activity. The specifics of any such Remedies may be discussed separately between the Complainant and the Title IX Coordinator and need not be included in the decision letter.
• A copy of the final hearing officer’s report will be attached to the decision letter, redacted as appropriate or as otherwise required by law.

Investigation and Hearing (if applicable) for Tracks 2 and 3

At the onset of the investigation, the Title IX Coordinator/DHR Administrator will simultaneously provide both Parties a notice of investigation.

In the notice of investigation, the Title IX Coordinator/DHR Administrator will schedule an initial meeting with the Respondent. At this meeting, the Title IX Coordinator/DHR Administrator will explain the allegations against the Respondent, as well as the investigation process, and the Respondent’s rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation, the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

During the investigation, the Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all relevant evidence gathered. Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions.

In matters where a hearing is not required (Track 3 cases), a final investigation report will be provided to the Parties along with a notice of investigation outcome. The final investigation report will include a summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a detailed description of the evidence considered, analysis of the evidence including relevant credibility evaluations, and appropriate findings. Relevant exhibits and documents will be attached to the written report. The final investigation report will be attached to a notice of investigation outcome. The notice may be delivered to the Parties electronically. If the notice includes a determination that the Policy was violated, the Title IX Coordinator/DHR Administrator will notify the campus student conduct administrator (where the Respondent is a

---

10 Under Track 2, the process will proceed to a hearing, as outlined below, and the final investigation report will include all of the information included in the preliminary investigation report as well as additional relevant evidence received during the review of evidence. Any relevant evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the hearing officer if requested.
student)/appropriate campus administrator (where the Respondent is an employee) of the investigation outcome and provide a copy of the final investigation report.

The Title IX Coordinator/DHR Administrator or designee will send the Final Investigation Report to the Parties within 100 Working Days from the date that the Notice of Investigation is provided to the Parties. Extensions may be granted for good cause as determined by the Title IX Coordinator/DHR Administrator. The Parties will receive written notice from the Title IX Coordinator/DHR Administrator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Complaint process.

Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or when the outcome becomes final, will be provided in writing simultaneously to the Complainant and the Respondent.

**Track 2 Hearing process:**

As stated above in the explanation of Track 2, a hearing will be required (unless the case is resolved by way of Informal Resolution). Below are the steps, decision-makers, and anticipated timelines for a Track 2 hearing process that commences after the issuance of the final Investigative report.

**Prior to a hearing:**

Parties will be given written notice of the date, time, location, and purpose of the hearing as well as the identity of the hearing officer. The Parties will be sent a notice of the hearing at least 20 Working Days before the hearing. Objections to an appointed hearing officer will be made in writing to the hearing coordinator no later than 5 Working Days after notice of hearing has been sent to the Parties.

No later than 15 Working Days before the hearing, each Party will provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party’s proposed witnesses as well as an explanation of the relevance of each proposed witness’ testimony. The hearing officer may also identify witnesses from the Final Investigation Report.

Where there is more than one Respondent or Complainant in connection with a single occurrence or related multiple occurrences, the hearing officer and the Parties may agree to a single hearing. A Party may request consolidation with other cases, or the Title IX Coordinator, may initiate the consolidation (subject to FERPA and other applicable privacy laws). Request for consolidation will be made no later than 15 Working Days before the hearing. The hearing officer makes consolidation decisions.

Parties must provide the name of, and contact information for, the Party’s Advisor and Support Person (if any) to the hearing coordinator 15 Working Days before the hearing.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be instructed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator. No later than 5 Working Days before the hearing, the Parties will submit to the hearing coordinator any objections to, or questions about, the witness list.
At the hearing:

Each Party will be given an opportunity to make an opening statement that will last no longer than 10 minutes. The Parties will not make closing statements. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative.

Parties will have the opportunity to submit written questions to the hearing officer in advance of the hearing. The Parties may also submit written follow-up questions to the hearing officer during the hearing, at appropriate times designated by the hearing officer. The hearing officer will ask the questions proposed by the Parties except for questions that:

1. Seek information about the Complainant’s sexual history with anyone other than the Respondent (unless such evidence about the Complainant’s sexual behavior is offered to prove that someone other than the Respondent committed the alleged misconduct).
2. Seek information about the Respondent’s sexual history with anyone other than the Complainant unless such information is used to prove motive or pattern of conduct.
3. Seek information that is unreasonably duplicative of evidence in the hearing officer’s possession.
4. The hearing officer determines are not relevant to material disputed issues, are argumentative or harassing or unduly intrude on a witness’ privacy.

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the hearing officer. The hearing officer is not required to respond to an objection, other than to include it in the record.

The hearing officer has the authority and duty to decline or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the hearing officer may take guidance from the formal rules of evidence.

After the hearing:

After the hearing, the hearing officer will make written findings of facts and conclusions about whether the Respondent violated the Policy. The Title IX Coordinator will review the hearing officer's report to ensure compliance with the Policy. The hearing coordinator will forward the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the student conduct administrator, usually within 15 Working Days of the close of the hearing.

If no violation is found, the hearing coordinator will notify the Parties of their appeal rights. The campus president (or designee) will also be notified.

If a violation is found, the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline. The statement may not be more than 2000 words in length and will be submitted no later than 5 Working Days after the hearing officer’s report is sent to the Parties. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and the Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the hearing officer’s report is sent to the Parties.
Within 5 Working Days after receiving and considering the statements described above, the hearing officer will submit the hearing officer’s report to the president (or designee), including recommended sanctions (as defined in Executive Order 1098 Student Conduct Procedures\textsuperscript{11}) if a Respondent has been determined to have violated university Policy.

Within 10 Working Days of receipt of the hearing officer’s report, the president (or designee) will review the Investigation Report and the hearing officer’s report and issue a decision concerning the appropriate sanction. The president may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the hearing officer, the president must set forth the reasons in the Decision Letter. The president will simultaneously send the decision letter electronically to the Respondent and Complainant. The decision will also be sent to the student conduct administrator and the hearing officer. Unless the campus and Parties are notified that an appeal has been filed, the president’s (or designee’s) sanction decision becomes final 11 Working Days after the date of the decision letter.

**Sanctions**

Discipline for Employees includes, but is not limited to, suspension, demotion, and termination of employment.

Employees disciplined by the university may be entitled to additional processes as required by law and/or collective bargaining agreements, including in some cases the right to a hearing before an independent arbitrator or a state agency where the employee may contest the discipline.

The following sanctions may be imposed for violation of the Student Conduct Code: \textsuperscript{12}

- **Restitution.** Compensation for loss, damages, or injury. This may include appropriate service and/or monetary material replacement.

- **Loss of Financial Aid.** Scholarships, loans, grants, fellowships and any other types of state financial aid given or guaranteed for the purposes of academic assistance can be conditioned, limited, canceled or denied.\textsuperscript{8}

- **Educational and Remedial Sanctions.** Assignments, such as work, research, essays, service to the University or the community, training, counseling, removal from participation in recognized student clubs and organizations (e.g., fraternities and sororities), and/or University events, or other remedies intended to discourage similar misconduct or as deemed appropriate based upon the nature of the violation.

- **Denial of Access to Campus or Persons.** A designated period of time during which the Student is not permitted: (i) on University Property or specified areas of Campus, \textsuperscript{9} or (ii) to have contact (physical or otherwise) with the Complainant, witnesses or other specified persons.

- **Disciplinary Probation.** A designated period of time during which privileges of continuing in Student status are conditioned upon future behavior. Conditions may include the potential loss of specified privileges to which a current Student would otherwise be entitled, or the probability of more severe disciplinary sanctions if the

\textsuperscript{11} See Sanctions, below

\textsuperscript{12} Found in Article V, Executive Order 1098 Student Conduct Procedures
student is found to violate the Student Conduct Code or any University policy during the probationary period.

- **Suspension.** Temporary separation of the student from active Student status or Student status.
  - A Student who is suspended for less than one academic year shall be placed on inactive Student (or equivalent) status (subject to individual Campus policies) and remains eligible to re-enroll at the University (subject to individual Campus enrollment policies) once the suspension has been served. Conditions for re-enrollment may be specified.
  - A Student who is suspended for one academic year or more shall be separated from Student status but remains eligible to reapply to the University (subject to individual Campus application policies) once the suspension has been served. Conditions for readmission may be specified.
  - Suspension of one academic year or more, withdrawals in lieu of suspension, and withdrawals with pending misconduct investigations or disciplinary proceedings shall be entered on the student’s transcript permanently without exception; this requirement shall not be waived in connection with a resolution agreement.

- **Expulsion.** Permanent separation of the Student from Student status from the California State University system. Expulsion, withdrawal in lieu of expulsion, and withdrawal with pending misconduct investigation or disciplinary proceeding shall be entered on the student’s transcript permanently, without exception; this requirement shall not be waived in connection with a resolution agreement.

**Appeals**

A written appeal may be submitted to the Chancellor’s Office no later than 10 Working Days after the date of the decision letter (Track 2) or notice of investigation outcome (Track 3). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the Chancellor’s Office. A written appeal may not exceed 3,500 words, excluding exhibits. Appeals will be submitted to:

Equal Opportunity and Whistleblower Compliance Unit  
Systemwide Human Resources  
Office of the Chancellor  
401 Golden Shore  
Long Beach, California 90802  
eo-wbappeals@calstate.edu

The Chancellor’s Office will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits. Any response to the appeal received by the Chancellor’s Office will be provided to the appealing Party for informational purposes only.
The Chancellor’s Office will not conduct a new investigation; however, the Chancellor’s Office may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing determination. On appeal, the Chancellor’s Office does not reweigh the evidence, re-decide conflicts in the evidence, or revisit determinations made by the Investigator or hearing officer about the credibility or reliability of witnesses and the Parties. The Chancellor’s Office appeal response will include a summary of the issues raised on appeal, a summary of the evidence considered, the Preponderance of the Evidence standard, and the determination(s) reached regarding the issue(s) identified within the written appeal. A copy of the final Chancellor’s Office appeal response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator.

If the Chancellor’s Office review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the campus and the investigation or hearing reopened at the campus level. The Chancellor’s Office will return the matter to the campus and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Chancellor’s Office will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The campus will complete the reopened investigation or hearing and provide the Chancellor’s Office with an amended final investigation report/final decision. The campus will also provide the Parties with amended notices of investigation outcome/final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor’s Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the campus, the non-prevailing Party will be given an opportunity to appeal.

If the Chancellor’s Office determines that no reasonable fact finder (Investigator or hearing officer) could have made the findings as determined by the Investigator or hearing officer, the Chancellor’s Office may vacate and reverse the investigation or hearing outcome, but only with respect to whether the Policy was violated (and not with respect to factual findings). If the Chancellor’s Office vacates and reverses the investigation or hearing outcome, it will notify the Parties simultaneously in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Chancellor’s Office, the Chancellor’s Office decision is final and is not subject to further appeal. In the event that the final outcome has been reversed by the Chancellor’s Office and a sanction will be imposed by the campus, both Parties have a right to appeal the sanction only. If a sanction is found to be objectively unreasonable, or arbitrary based on substantiated conduct, the matter will be sent back to the campus for reconsideration of the sanction.

The Chancellor’s Office will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal unless the timeline has been extended.\(^{13}\)

\(^{13}\) The Chancellor’s Office has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Chancellor’s Office. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Chancellor’s Office to respond to the appeal. The Chancellor’s Office will notify the Parties and the Title IX Coordinator of any extensions of time granted pertaining to any portion of the appeal process.
Registered Sex Offenders
California’s sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan’s law web site at http://www.meganslaw.ca.gov/

Missing Student Notification Procedures for On-campus Student Housing Facilities

CSUSM’s On-Campus Housing Missing Student Policy is administered through CSUSM Housing. The purpose of this policy is to establish procedures for the reporting of missing on-campus student residents as required by the Higher Education Opportunity Act of 2008. For purposes of this policy, a student may be considered a “missing person” if their absence is contrary to their usual pattern of behavior and/or unusual circumstances may have caused the absence. Individuals having reason to believe that a student has been missing should immediately notify the UPD at (760) 750-4567.

Missing person reports should be made directly to the UPD. However, these reports may also be made to the CSUSM Housing Office by calling either University Village Apartments (UVA) at (760) 750-3711 or The QUAD at (760) 750-3730 during published office hours or by contacting the resident advisors on duty at (760) 750-6400 for the UVA or (760) 750-3733 for The QUAD after the offices have closed. The Office of the Dean of Students can also be contacted at (760) 750-4935. If the missing person report is made to staff or organizations other than the UPD, said individual(s) or entity must contact the UPD immediately.

CONTACT PROCEDURES

Every student who lives in on-campus student housing, regardless of age, will register one or more individuals to be a contact strictly for missing persons purposes. CSUSM Housing will collect the contact information of a parent, guardian, or individual as the Missing Persons Contact during the student housing license application process. This confidential contact may be separate from an emergency contact. Students will be offered this option annually regardless whether they chose to register a contact the previous year. Should a student wish to change their Missing Persons Contact information, they should contact CSUSM Housing at 760-750-3730 or housing@csusm.edu. The contact person will be notified not later than 24 hours after the official missing person report has been filed with the UPD.

- Contact information provided by the student will be registered confidentially. This information will be accessible only to authorized campus officials and will not be disclosed except to law enforcement personnel in furtherance of a missing person investigation. This contact information will be stored on a password protected share drive and on a portable storage drive in the event it is needed when computer systems are not accessible (e.g., during a power outage or computer server failure).
- If the student is under 18 years of age and not an emancipated individual, the UPD is required to notify a custodial parent or guardian in addition to any contact person designated by the student no more than 24 hours after the student is determined missing.
• Within 24 hours of the determination that the student is missing, the UPD will initiate the On-Campus Housing Missing Student Procedures in accordance with the student’s designation and will notify local law enforcement.

• CSUSM Housing and the Dean of Students Office shall be informed of the progress of any investigation as much as is legally possible so that they may ensure members of the residential communities are provided with support services that may be necessary (e.g., counseling).

OFFICIAL NOTIFICATION PROCEDURES

• Any individual on campus who has information that a resident may be a missing person must notify the UPD as soon as possible.

• Once a report is filed with the UPD, numerous departments and individuals on campus should be notified that a student has been reported missing. The UPD is responsible for immediate notifications to the Dean of Students Office, CSUSM Housing, and the Clery Director. The Dean of Students Office will coordinate additional communications to campus departments and individuals including the Vice President of Student Affairs, the Office of Communications, the President’s Office, and Campus General Counsel. Should circumstances develop into something more serious, additional departments will be notified, including but not limited to Student Health & Counseling Services and others pending a student’s on-campus affiliations.

• As appropriate, the Dean of Students will contact the student’s professors and advisor.

• No later than 24 hours after determining that a student is missing, the UPD will notify the Missing Persons Contact (for students 18 and over) and the parent/guardian (for students under the age of 18 and not emancipated) that the student is believed to be missing.

• In all missing student situations, local and other relevant law enforcement agencies, as determined by UPD, will be notified by UPD of its determination that the student is missing within 24 hours.

FIRE SAFETY REPORT

The 2022 Fire Safety Report is available at the following link: https://www.csusm.edu/housing/firesafetyreport22.docx
Appendix A: Jurisdictional Definitions
Rape (CA Penal Code Chapter 1 Section 261)

(a) Rape is an act of sexual intercourse under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

(2) If it is accomplished against a person’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, “unconscious of the nature of the act” means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, “threatening to retaliate” means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim’s will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, “public official” means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.
(b) For purposes of this section, the following definitions apply:

“Duress” means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

“Menace” means any threat, declaration, or act that shows an intention to inflict an injury upon another.

**Sodomy (CA Penal Code Chapter 1 Section 286)**

Sodomy is sexual conduct consisting of contact between the penis of one person and the anus of another person. Any sexual penetration, however slight, is sufficient to complete the crime of sodomy.

(b) (1) Except as provided in Section 288, any person who participates in an act of sodomy with another person who is under 18 years of age shall be punished by imprisonment in the state prison, or in a county jail for not more than one year.

(2) Except as provided in Section 288, any person over 21 years of age who participates in an act of sodomy with another person who is under 16 years of age shall be guilty of a felony.

(c) (1) Any person who participates in an act of sodomy with another person who is under 14 years of age and more than 10 years younger than he or she shall be punished by imprisonment in the state prison for three, six, or eight years.

(2) (A) Any person who commits an act of sodomy when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for three, six, or eight years.

(B) Any person who commits an act of sodomy with another person who is under 14 years of age when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 9, 11, or 13 years.

(C) Any person who commits an act of sodomy with another person who is a minor 14 years of age or older when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 7, 9, or 11 years.

(3) Any person who commits an act of sodomy where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat, shall be punished by imprisonment in the state prison for three, six, or eight years.

(d) (1) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy when the act is accomplished against the victim’s will by means of force or fear of immediate and unlawful bodily injury on the victim or another person or where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable
possibility that the perpetrator will execute the threat, shall be punished by imprisonment in the state prison for five, seven, or nine years.

(2) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy upon a victim who is under 14 years of age, when the act is accomplished against the victim’s will by means of force or fear of immediate and unlawful bodily injury on the victim or another person, shall be punished by imprisonment in the state prison for 10, 12, or 14 years.

<td>Gender Equity in Education</td>
<td>This course provides practical training for identifying, reporting, and preventing campus sexual violence, as well as assisting victims of sexual assault. Interactive case studies and videos provide engaging educational content that explains how to respond to known or suspected sexual violence, which includes sexual assault, dating violence, domestic violence, and stalking. Examples are based on real cases that teach important concepts to build a safe campus community and create a culture that does not tolerate sexual violence. The course teaches employees valuable skills for assisting victims and survivors of sexual violence and reporting sexual violence. This course trains faculty and staff on how to recognize sexual misconduct, report incidents to campus authorities, and prevent sexual misconduct from occurring in the first place. This course also provides state-specific legal definitions of sexual violence, and describes victim protections, bystander intervention strategies, and school disciplinary proceedings.</td>
