Thirteen strong applications were received, 5 were selected to attend the June boot camp session. There is an ASC-1 staff position open in pre-award. Sponsored Projects is finalizing a revised checklist process for determining whether a faculty-initiated proposal will route through UA or UARSC. We continue to meet regularly with UA and we continue to have good lines of communication with UA and UARSC.

Administration Update
Newberg reported Catering contracts have been signed and are in effect. We will collect 5% commission on sales. We have sponsorship opportunities from three caterers. Sodexo completed their Customer Service Survey which focused around food concepts. Had 1,086 responses from faculty, staff and students. We want Sodexo to hold a few focus groups to clarify some of the data collected. Chancellors’ Office compliance audit is ongoing. No substantial findings thus far. We have an opportunity to partner with and support the campuses efforts to explore Public Private Partnerships, commonly known as P3. We will enter into an agreement with the campus to contract manage and hire a third party real estate consulting firm. The firm will assist us in evaluating the partnership with the QUAD Affiliation agreement and also how we can leverage this partnership and explore future facility requirement opportunities. Based on their experience in higher education, James Lang LaSalle has been chosen. The Gala will be held on June 18, please join us at the sponsored UARSC table.
