University Updates and Committee Reports

Sponsored Projects
Meeks reported on FY 15/16 awards by Funder. Awards are funded from 24 different sponsors, each having slightly different requirements. For FY 16/17, Q2, 41 awards were received totaling 15M, a 51% increase from 15/16, second quarter. Meeks reported on a 3 year comparison of awards and IDC rates from FY 13/14, 14/15 and FY 15/16. We are receiving more grants at higher IDC rates, up by 8%. Low IDC awards are decreasing and higher IDC awards are increasing. This is attributed to moving Pre Award to campus in addition to expanding the team by adding a Grant Writer and an Administrative Support staff member.

Investment Portfolio Report
Fenimore reviewed the Investment Report provided prior to the meeting. Quarter 2 investment income projected as flat. We continue to be conservative in our approach.

Administration Update
Newberg reported on the progress of the merger between UARSC and the University Corporation. Robert Griffin continues to assist. Target completion date is June 30, 2017. A name change will take place immediately thereafter and should be completed by September 30, 2017. The new name will be California State University San Marcos
Corporation (CSUSM Corporation). The Merging UCorp into UARSC Major Tasks Checklist, Updated 2-8-17 was handed out at the meeting. The Intent to Merge Resolution will be presented as an action item later in the meeting. The QUAD Master Operating Lease is being renegotiated, a 15 year term/15 year option to include monetizing Summer Conference revenue, 8,000-10,000 square feet of dining and renovations to existing space. Newberg reviewed the site map for the EL P3 project. The building; approximately 135,000 sq. ft. of office, classroom and retail space and the parking structure will sit on approximately two acres. UARSC/CSUSM will be responsible for operating expenses associated with its 120,000 sq. ft. The developer will be responsible for operating expenses associated with its 15,000 sq. ft. UARSC/CSUSM and developer will share operating expenses associated with the common space on a pro-rata basis. The project will include a pedestrian bridge over Barham built by the developer and maintained by the city. Financing through a non-profit to obtain a 30-year, tax-exempt bond and will be based on the actual cost of construction. UARSC will enter into a capital lease with the non-profit and make payments in accordance with the bond schedule. A proportional share of the building, parking and land will be donated to UARSC free and clear upon full payment of the bond. The developer will retain a condominium interest in the retail space. The project schedule is very aggressive and moving along quickly with an occupancy goal of July 1, 2019.
