INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
University Auxiliary and Research Services Corporation

Report on the Financial Statements

We have audited the accompanying financial statements of University Auxiliary and Research Services Corporation (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University Auxiliary and Research Services Corporation as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary information included on pages 16 - 24 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2016 on our consideration of the University Auxiliary and Research Services Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering University Auxiliary and Research Services Corporation's internal control over financial reporting and compliance.

Note 1 – Organization and Summary of Significant Accounting Policies

Nature of Activities

University Auxiliary and Research Services Corporation (Organization) is a nonprofit California corporation and an auxiliary organization of California State University San Marcos (University), organized and operated in accordance with the California Code of Regulations and the Education Code of the State of California. The Organization was organized in December 1989 to provide service and opportunity to the University. The Organization accomplishes this through its focus on administering research and educational grants and contracts; human resource and payroll services, Business Services to other Auxiliary programs, and management of various entrepreneurial commercial enterprises. Commercial enterprises include childcare services, campus dining services, bookstore and retail services, and managing other commercial partnerships.

The Organization's financial statements are included as a component unit of the University's annual general-purpose financial statements. This is required by accounting principles generally accepted in the United States applicable to governmental entities.

Related Parties

The Organization is related to other auxiliaries of the University, including San Marcos University Corporation (UCorp), Associated Students, Inc. of California State University San Marcos (ASI) and California State University San Marcos Foundation (Foundation). These auxiliaries, although independent, and the University periodically provide various services to one another.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to the three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted net assets represent expendable funds available for operations, which are not otherwise limited by donor restrictions.
- Temporarily restricted net assets consist of contributed funds subject to donor-imposed restrictions contingent upon specific performance of a future event or a specific passage of time before the Organization may spend the funds.
- Permanently restricted net assets are subject to irrevocable donor restrictions requiring that the assets be maintained in perpetuity usually for the purpose of generating investment income to fund current operations.

As of June 30, 2016 and 2015, all of the Organization's net assets were classified as unrestricted.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with original maturity dates of three months or less to be cash equivalents.

Income Taxes

The Organization is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

UNIVERSITY AUXILIARY AND RESEARCH SERVICES CORPORATION

Notes to Financial Statements

Years Ended June 30, 2016 and 2015

Note 1 – Organization and Summary of Significant Accounting Policies, continued

Income Taxes, continued

The Organization follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statement of activities, when applicable. Management has determined that the Organization has no uncertain tax positions as of June 30, 2016 and 2015 and therefore no amounts have been accrued.

Accounts Receivable

The accounts receivable arise in the normal course of operations. It is the policy of management to review the outstanding accounts receivable at year end, as well as the bad debt write-offs experienced in the past, and establish an allowance for doubtful accounts for uncollectible amounts. A provision for doubtful accounts has not been established as management considers all accounts to be collectible based upon a favorable history over a substantial period of time. If amounts become uncollectible, they will be charged to operations when that determination is made.

Investments

Investments in equity securities and mutual funds with readily determinable fair values, based on daily share prices, are reported at fair value with gains and losses included in the statements of activities.

The investments of the Organization are exposed to interest rate and market risk. Economic conditions can impact these risks and resulting fair values can be either positively or adversely affected. If the level of risk increases in the near term, it is possible that the investment balances and the amounts reported in the financial statements could be materially affected by market fluctuations. Although the fair value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Organization and its beneficiaries.

Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of 3 to 10 years.

Deferred Revenue

Deferred revenue represents grant revenue received in advance and the unamortized portion of property and equipment received from unrelated third parties as part of agreements for the operation of the bookstore and campus food services.

Subsequent Events

The Organization has evaluated subsequent events through September 21, 2016, which is the date the financial statements were available to be issued. Management is not aware of any events that have occurred subsequent to June 30, 2016 that would require adjustments to, or disclosure in the financial statements.

Note 2 – Concentration of Credit Risk

The Organization maintains cash and cash equivalents in bank deposit and investment accounts. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 and investment accounts are insured by the Securities Investor Protection Corporation (SIPC) up to a limit of \$500,000. The Organization's account balances may, at times, exceed the limits. The Organization has not experienced any such losses in these accounts.

Note 3 – Investments and Fair Value Measurement

Fair Value Measurements

The Organization defines fair value as the exchange price that would be received for an asset or paid for a liability in the principal or most advantageous market. The Organization applies fair value measurements to assets and liabilities that are required to be recorded at fair value under generally accepted accounting principles. Fair value measurement techniques maximize the use of observable inputs and minimize the use of unobservable inputs, and are categorized in a fair value hierarchy based on the transparency of inputs. In addition, the Organization reports certain investments using the net asset value per share as determined by investment managers, allowing the net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The three levels are defined as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the same term of the financial instrument.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2016 and 2015.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Investments at fair value according to the fair value hierarchy are as follows as of June 30, 2016:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Core fixed-income institutional mutual funds	\$ <u>1,823,471</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,823,471</u>

Note 5 – Commitments and Contingencies

Leases

The Organization has entered into various operating lease agreements with the University for storage facilities, with monthly rents totaling \$3,666 through June 30, 2016. The Organization leases office space at 435 E. Carmel Street under a lease agreement which may be terminated by either party upon a four-month written notice and had monthly rent of approximately \$11,592 from July 2015 to December 2015 and \$11,026 from January 2016 to June 2016. The lease expires on December 31, 2017. Total rent expense was approximately \$179,700 for each of the years ended June 30, 2016 and 2015.

Minimum future lease payments as of June 30, 2016 are due as follows:

<u>Year Ending June 30,</u>	
2017	\$ 125,520
2018	62,760
Thereafter	-
	\$ 188,280

Bookstore Operating Agreement

In July 2011, the Organization entered into an agreement with an unrelated third party to operate the campus bookstore. In July 2014, the Organization amended the bookstore operating agreement with the third-party operator. As part of the agreement, the unrelated third party relocated the bookstore to the former campus dining area and paid for the relocation and improvement costs related to the move. The cost will be depreciated and amortized over the contract term. All capital equipment or improvements not attached as fixtures to real estate are the property of the unrelated third-party. If the Organization terminates the agreement prior to the termination date or if the unrelated third party terminates the agreement for cause, the Organization is required to purchase any existing inventory at the time of termination at fair value according to the agreement, reimburse the unrelated third party for the book value of its capital improvements, and refund the unamortized portion of the bookstore build-out. The contract term was extended to June 30, 2021.

Bookstore Operating Agreement, continued

The contract commissions are 11.5 percent on gross revenues up to \$4,000,000 and 12.5 percent on gross revenues exceeding \$4,000,000. Under this agreement, commission revenue for the years ended June 30, 2016 and 2015 was \$352,557 and \$352,671, respectively.

In June 2015, as part of the agreement, the unrelated third party placed into service \$836,241 of equipment, design and construction services for the build-out of the bookstore for the Organization. The Organization has ownership of the assets and has recorded a corresponding liability to deferred revenue which is amortized to revenue over the 10 remaining years of the contract. The Organization recognized revenues of \$83,351 and \$4,327 for the years ended June 30, 2016 and 2015, respectively. In addition, the Organization has deferred revenue of \$748,563 and \$831,914 as of June 30, 2016 and 2015, respectively, related to the noncash transaction.

Child Care Center Lease Agreement

The Organization owns and operates the Center for Children and Families and has a Child Care Center Development Agreement (Agreement) with Children's Creative Learning Center (CCLC), a California Corporation, which expires on February 28, 2018. In exchange for operating, maintaining, and managing the center, CCLC is not charged rent. Management estimated that the value of the Agreement was \$502,090 and \$497,119 for the years ended June 30, 2016 and 2015, respectively. These amounts are included in the statements of activities for the years ended June 30, 2016 and 2015 as child care center in-kind rental income and campus programs expense.

For operating the child care center, the Organization does not pay rent under the ground lease. Management estimated that the value of the lease agreement was \$266,398 and \$263,760 for the years ended June 30, 2016 and 2015, respectively. These amounts are reflected in the statements of activities for the years ended June 30, 2016 and 2015 as property ground lease income and land leasing costs, which is included in campus programs expense.

Beverage Distribution Rights Contract

The Organization has granted an unrelated third party exclusive rights to campus beverage sales and distribution. The term of the agreement is a 10-year period expiring on December 31, 2021, unless terminated by either party with advance notice, as defined in the agreement. As part of the agreement, the unrelated third party will have exclusive rights for beverage sale and distribution, including the right to provide all beverages at athletic events, club activities, special events, concessions and vending locations.

As consideration for the agreement, the unrelated third party paid the Organization an initial support fund in the amount of \$50,000 earned over the term of the agreement and payable upon signing the agreement. Additional consideration includes an Annual Sponsorship Fee of \$20,000 payable annually at the end of each calendar year and 35 percent commission paid quarterly on actual cash collected by vending machines plus proceeds from credit card transactions. Commission revenue included \$61,055 and \$62,587 for the years ended June 30, 2016 and 2015, respectively, under this agreement, which includes the \$20,000 sponsorship fee for the year ended June 30, 2016.

Note 5 – Commitments and Contingencies, continued

Campus Food Service Agreement

The Organization has an agreement with an unrelated third party to operate the campus food services, including retail sales, catering and concessions. The term of the agreement is 20 years through August 2032, unless terminated by either party with advance notice, as defined in the agreement. As part of the agreement, the Organization will continue to own the premises and equipment used to operate the food services and the unrelated third party shall purchase and own the inventories of food, beverage and supplies used in operations. In the event of a termination by the Organization, all amounts due to the unrelated third party shall be payable immediately as defined in the agreement. The Organization does not expect early termination. As consideration for the agreement, the unrelated third party will pay the Organization a commission of 5 percent on retail and catering sales commencing in July 2019.

In January 2014, as part of the agreement, the unrelated third party purchased approximately \$1.4 million of equipment, design and construction services for the build-out of retail concepts for the Organization. The Organization has ownership of the assets and has recorded a corresponding liability to deferred revenue which is amortized to revenue over the 18 remaining years of the contract. The Organization recognized revenues of \$73,923 and \$73,923 for the years ended June 30, 2016 and 2015, respectively. In addition, the Organization has deferred revenue of \$1,219,724 and \$1,293,646 at June 30, 2016 and 2015, related to the noncash transaction.

Sponsored Programs

The Organization receives significant financial assistance from numerous federal, state, and local governmental agencies in the form of grants and operating subsidies. Disbursements of funds received under these programs generally require compliance with terms and conditions specified in the agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability to the Organization. However in the opinion of management, any such disallowed claims would not have a material adverse impact on the overall financial position of the Organization as of June 30, 2016, and 2015.

Workers' Compensation Insurance

During the years June 30, 2016 and 2015, the Organization purchased workers' compensation insurance for \$62,025 and \$43,106, respectively, through an approved self-insurance program in which the Organization is a member (as are ASI, Foundation, and UCorp), and which is administered by the California State University Risk Management Authority (CSURMA).

Involvement in alternative insurance programs such as the CSURMA's self funded workers' compensation program is an attempt to control the increases in insurance costs, but also carry financial commitments to the liabilities of the program.

For the year ended June 30, 2016, CSURMA estimated an overage in reserves of \$88,275 from the Organization. The Organization recorded a receivable of \$88,275 at June 30, 2016.

Legal Proceedings

The Organization has been involved in legal proceedings arising in the normal course of business. The final outcome of these proceedings for the year ended June 30, 2015 did not have a material adverse effect on the Organization's results of activities or financial position. For the year ended June 30, 2016, there were no legal proceeding activities.

Note 6 – Accrued Postretirement Benefits Costs

The Organization has a postretirement program that provides lifetime medical, dental, and vision coverage to retiring employees age 65 or older with at least 10 years of service. Medical coverage will be provided through the AOA pooled medical program. Dependent spouses of eligible retirees will also receive lifetime medical, dental, and vision coverage.

The Organization made a plan change during the year ended June 30, 2015 to terminate post-retirement benefits (for both prior and future services performed) for any non-UARSC Central employee with less than 5 years service as of December 31, 2014 or any employee hired after December 31, 2014. This change resulted in a plan curtailment and a plan settlement. For the year ended June 30, 2015, there was a curtailment and settlement gain of \$584,541.

The following tables include the post-retirement healthcare benefits that are unfunded and the amounts recognized in the financial statements as of and for the years ended June 30:

Note 7 – Long-Term Debt

In July 2014, the Organization entered into a ten-year note payable with the University for \$250,000 to be used for the refurbishment and modernization of the on campus Starbucks retail store. The note was amended during the year ended June 30, 2016 to change the payment terms and interest rate from 3.00 percent to 2.75 percent per annum and is payable in annual principal and interest installments. From this revision, the Organization paid principal and interest totaling \$64,325 for the year ended June 30, 2016. No payments are due in 2017.

Minimum future principal payments on long-term debt as of June 30, 2016 are due as follows:

<u>Year Ending June 30,</u>	
2017	\$ -
2018	20,306

Thereafter	<u>92,616</u>
	<u>\$ 198,291</u>

Note 8 – Related Party Transactions

The Organization reimburses the University for salaries and other program-related costs for personnel working on contracts, other programs and campus programs.

The Organization, as a lessor, has entered into an operating lease agreement to rent storage space to the University at 435 E. Carmel Street. The monthly rental income is approximately \$11,591 per month through June 30, 2016. The future minimum rental receipts for the year ending June 30, 2016 are approximately \$139,092

The Organization entered into payroll processing agreements with UCorp and ASI. In addition, the Organization incurred expenses for events and conference services provided by UCorp.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
University Auxiliary and Research Services Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of University Auxiliary and Research Services Corporation (nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 21, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered University Auxiliary and Research Services Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of University Auxiliary and Research Services Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the University Auxiliary and Research Services Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters,

As part of obtaining reasonable assurance about whether University Auxiliary and Research Services Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
University Auxiliary and Research Services Corporation

Report on Compliance for Each Major Federal Program

We have audited University Auxiliary and Research Services Corporation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of University Auxiliary and Research Services Corporation's major federal programs for the year ended June 30, 2016. University Auxiliary and Research Services Corporation's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of University Auxiliary and Research Services Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about University Auxiliary and Research Services Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of University Auxiliary and Research Services Corporation's compliance.

Opinion on Each Major Federal Program

In our opinion, University Auxiliary and Research Services Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control over Compliance

Management of University Auxiliary and Research Services Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered University Auxiliary and Research Services Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not

express an opinion on the effectiveness of University Auxiliary and Research Services Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
