# INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of California State University San Marcos Corporation

# **Report on the Audit of the Financial Statements**

# **Opinion**

We have audited the accompanying financial statements of California State University San Marcos Corporation, (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of California State University San Marcos Corporation as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California State University San Marcos Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

# Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California State University San Marcos Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

# Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

# INDEPENDENT AUDITOR'S REPORT, CONTINUED

# Auditor's Responsibilities for the Audit of the Financial Statements, continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of California State University San Marcos Corporation's internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California State University San Marcos Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information included on pages 27-36 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 28, 2022, on our consideration of the California State University San Marcos Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness California State University San Marcos Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering California State University San Marcos Corporation's internal control over financial reporting and compliance.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 1 - Organization and Summary of Significant Accounting Policies

#### Nature of Activities

California State University San Marcos Corporation (Corporation), is a nonprofit California corporation and an auxiliary organization of California State University San Marcos (University or CSUSM), organized and operated in accordance with the California Code of Regulations and the Education Code of the State of California. The Corporation was organized in December 1989 to provide service and opportunity to the University.

# **Program Services**

The Corporation provides program services in the following major areas:

- Sponsored Programs represents transactions where the Corporation serves as administrator for the University on various research and educational grants and contracts awarded by both governmental and private institutions.
- Academic and Auxiliary Services represents net transactions for the startup and operations of the new Extended Learning Building and Parking Project, in the Corporation's role of providing real property development and management.
- Housing Programs represents transactions related to the Corporation management of student housing.
  The Corporation holds a ground and facility lease on the University Village Apartments (UVA), which
  provides housing and student-life activities for approximately 681 students, and contracts with
  Capstone On-Campus Management (Capstone), a third-party administrator for UVA operations and
  management. Additionally, the Corporation manages the contractual affiliated relationship between The
  Quad developer (a privately-owned housing property for CSUSM students), the University and the
  Residential Education Team.
- Other Programs represents primarily the operational expenses of Campus Program projects and activities.

# **New Accounting Pronouncement**

In September 2020, The Financial Accounting Standard Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958).* The purpose of ASU 2020-07 is to clarify the presentation and disclosure of contributed nonfinancial assets with an intention to provide the reader of the financial statements a clearer understanding of what type of nonfinancial assets were received and how they are used and recognized by the Corporation. During the year ended June 30, 2022, the Corporation adopted ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958)*.

Management has analyzed the provisions of the FASB's ASU Topic 958, *Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets* and has included the necessary disclosure in Note 6.

# **Related Parties**

The Corporation is related to other auxiliaries of the University, including Associated Students, Inc. of California State University San Marcos Foundation (Foundation). These auxiliaries and the University, although independent, periodically provide various services to one another.

# **Basis of Presentation**

The financial statements of the Corporation have been prepared in accordance with accounting principles generally accepted in the United States of America, which require the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

• Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Corporation's management and the board of directors.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 1 - Organization and Summary of Significant Accounting Policies, continued

# Basis of Presentation, continued

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors, and grantors.
 Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Corporation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Corporation did not have any donor restrictions that were temporary or perpetual in nature for the years ended June 30, 2022 and 2021.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

# Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# Cash and Cash Equivalents

The Corporation considers all highly liquid investments with original maturity dates of three months or less to be cash equivalents.

# Receivables

The accounts receivable arises in the normal course of operations. It is the policy of management to review the outstanding accounts receivable at year end, as well as the implicit price concession. Receivables are stated at unpaid balances, less price concession. The Corporation provides for losses on receivables using the allowance method.

# Investments

Investments in mutual funds with readily determinable fair values, based on daily share prices, are reported at fair value with gains and losses included in the statements of activities.

The investments of the Corporation are exposed to interest rate and market risk. Economic conditions can impact these risks and resulting fair values can be either positively or adversely affected. If the level of risk increases in the near term, it is possible that the investment balances and the amounts reported in the financial statements could be materially affected by market fluctuations. Although the fair value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Corporation and its beneficiaries.

#### Property and Equipment

The Corporation capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of 3 to 30 years.

# Unearned Capital Lease Income

Unearned capital lease income represents the deferred rent revenue for payments made from the University to the Corporation for the Extended Learning Building and Parking Project.

#### Deferred Revenue

Deferred revenue represents grant revenue received in advance and the unamortized portion of property and equipment received from unrelated third parties as part of agreements for the operation of the bookstore and campus food services.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 1 - Organization and Summary of Significant Accounting Policies, continued

# **Bond Premium**

Bond premium is amortized for 19 years using the straight-line method, which approximates the effective interest method over the term of the bonds. The amortization is recorded as a reduction of interest expense.

# Revenue Recognition

- Federal grants and contracts and other sponsored programs support received under grants and contracts is recorded as revenue when conditions are met in accordance with agreements. Any funds received in advance are recorded as deferred revenue until these conditions are met.
- Housing programs revenue received from housing program consist of management and service fees.
   Management and service fees are recognized as revenue over time as the related fees are earned and are realized or realizable.
- Campus programs revenue received from various programs offered by the Corporation. Revenue is recognized when earned for the services performed.
- Lease and rental income revenue is recognized on a straight-line basis over the life of the lease agreement.
- Commissions revenue is recognized as commission are earned under the various agreements with the customers.

#### Not Recognized Under ASC Topic 606

- Federal grants and contracts
- Other sponsored programs
- Lease and rental income
- In-kind income
- Paycheck Protection Program loan forgiveness

# Recognized Under ASC Topic 606

- Housing programs recognized over time
- Campus programs recognized at point in time
- Commission recognized at point in time

# Future Accounting Standards

FASB has issued a substantial ASU, which will become effective in future years.

In February 2016, the FASB issued ASU No. 2016-02, *Leases*. The primary change in generally accepted in the United States of America (US GAAP) addressed by ASU 2016-02 is the requirement for a lessee to recognize on the statement of financial position a liability to make lease payments ("lease liability") and a right-of-use asset representing its right to use the underlying asset for the lease term. ASU 2016-02 also requires qualitative and quantitative disclosures to enable users of the financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. ASU 2016-02 is effective for fiscal years beginning after December 15, 2021. Lessees must apply a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. The Corporation is evaluating the effect that the provisions of ASU 2016-02 will have on its financial statements and related disclosures.

#### Income Taxes

The Corporation is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Corporation remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Corporation follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions. The Corporation recognizes accrued interest and penalties associated with uncertain tax positions as part of the statements of activities, when applicable. Management has determined that the Corporation has no uncertain tax positions as of June 30, 2022 and 2021; therefore, no amounts have been accrued.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 1 - Organization and Summary of Significant Accounting Policies, continued

# Subsequent Events

The Corporation has evaluated subsequent events through September 28, 2022, which is the date the financial statements were available to be issued.

#### Note 2 - Concentration of Credit Risk

The Corporation maintains cash and cash equivalents in bank deposit and investment accounts. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 and investment accounts are insured by the Securities Investor Protection Corporation (SIPC) up to a limit of \$500,000. The Corporation's account balances may, at times, exceed the limits. The Corporation has not experienced any such losses in these accounts.

# Note 3 - Financial Assets and Liquidity Resources

#### **Board Designations**

Net assets without donor restrictions consists of the following for the years ended June 30:

	_	2022	2021
Undesignated Board designation:	\$	7,974,796 \$	7,172,983
Reserved for working capital and current operations		7,200,206	4,109,289
Reserved for capital replacement		2,050,000	2,050,000
Reserved for venture capital/opportunity	_	829,613	1,585,849
Total board designation	_	10,079,819	7,745,138
	\$_	18,054,615 \$	14,918,121

#### Liquidity

The following reflects the Corporation's financial assets as of June 30, 2022 and 2021, reduced by amounts not available for general use because of board designated or contractual restrictions within one year of the statement of financial position date. Amounts not available include board designated amounts set aside for working and operating capital, capital replacement, and venture capital opportunities. In the event of an immediate liquidity need resulting from events outside the typical life cycle of converting financial assets to cash, the board can approve adjustments to move net assets from board designated net assets to undesignated net assets.

# Note 4 - Fair Value Measurement

The Corporation defines fair value as the exchange price that would be received for an asset or paid for a liability in the principal or most advantageous market. The Corporation applies fair value measurements to assets and liabilities that are required to be recorded at fair value under generally accepted accounting principles. Fair value measurement techniques maximize the use of observable inputs and minimize the use of unobservable inputs and are categorized in a fair value hierarchy based on the transparency of inputs. In addition, the Corporation reports certain investments using the net asset value per share as determined by investment managers, allowing the net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The three levels are defined as follows:

- Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the same term of the financial instrument.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Certificates of deposit: Reported at cost plus earned interest, which approximates market prices.

# **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 4 - Fair Value Measurement, continued

Investments and certificates of deposit at fair value according to the fair value hierarchy are as follows as of June 30, 2022:

	Quoted Prices in Active Markets for Identical Assets		Significant Other Observable Inputs	Significant Unobservable Inputs		
	Level 1	_	Level 2	 Level 3	_	Total
Mutual funds: Domestic Nontraditional Bond Domestic Short-Term Bond	\$ 2,678,322 10,600,609	\$	- -	\$ -	\$	2,678,322 10,600,609

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 5 - Property and Equipment

Property and equipment consist of the following as of June 30:

	_	2022	. <u>-</u>	2021
Land improvements	\$	2,639,656	\$	2,634,601
Building and improvements		31,967,731		31,923,948
Furniture and equipment		6,594,116		6,146,085
Leasehold improvements		2,200,274		2,200,274
Less accumulated depreciation		43,401,777 (22,939,700)	_	42,904,908 (21,306,770)
Construction in progress	_	20,462,077 2,726,327	. <u>-</u>	21,598,138 334,592
	\$	23,188,404	\$	21,932,730

The total cost of one building, UVA (Note 10), under capital lease, as of June 30, 2022 and 2021 was \$27,581,993 and \$27,538,210, respectively. Accumulated depreciation associated with this asset as of June 30, 2022 and 2021 was \$12,890,813 and \$10,606,627, respectively.

# **Note 6 - Contracts With Customers**

Accounts receivable from contracts with customers and contract liabilities from contracts with customers were as follows:

	_	Accounts R	eceivable, net	_	Contract Deferre		
	_	2022	2021	_	2022	_	2021
Beginning of year	\$	434,478	\$ 471,175	\$	1,228,353	\$	1,388,547
End of year	\$	376,465	\$ 434,478	\$	1,067,642	\$	1,228,353

# Significant Judgments

The Corporation analyzes revenue recognition on a portfolio approach under ASC Topic 606. Significant judgment is utilized in determining the appropriate portfolios to assess for meeting the criteria to recognize revenue under ASC Topic 606. The Corporation has determined that, for each distinct revenue stream identified, all contracts can be grouped into one portfolio. Based on past experience, customers within each distinct stream all behave similarly, contracts contain similar terms, and policies are the same across all contracts. The Corporation does not expect that revenue earned for the portfolio is significantly different as compared to revenue that would be earned if they were to assess each contract separately.

# Note 7 - Commitments and Contingencies

#### <u>Leases</u>

The Corporation has entered into various operating lease agreements with the University for facilities, with monthly rents totaling \$3,150 through June 30, 2022. Total rent expense were approximately \$37,800 and \$37,500 for each of the years ended June 30, 2022 and 2021, respectively.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 7 - Commitments and Contingencies, continued

# **Bookstore Operating Agreement**

The Corporation entered into an agreement with an unrelated third party to operate the campus bookstore. As part of the agreement, the unrelated third party relocated the bookstore to the former campus dining area and paid for the relocation and improvement costs related to the move. The cost will be depreciated and amortized over the contract term. All capital equipment or improvements not attached as fixtures to real estate are the property of the unrelated third-party. If the Corporation terminates the agreement prior to the termination date or if the unrelated third party terminates the agreement for cause, the Corporation is required to purchase any existing inventory at the time of termination at fair value according to the agreement, reimburse the unrelated third party for the book value of its capital improvements, and refund the unamortized portion of the bookstore build-out. The contract term was extended to June 30, 2025.

The contract commissions are 11.5 percent on gross revenues up to \$4,000,000 and 12.5 percent on gross revenues exceeding \$4,000,000. Under this agreement, commission revenue for the years ended June 30, 2022 and 2021 was \$208,221 and \$201,074, respectively.

In addition, the unrelated third party placed into service \$836,241 of equipment, design and construction services for the build-out of the bookstore for the Corporation. The Corporation has ownership of the assets and has recorded a corresponding liability to contract liabilities - deferred revenues which is amortized to revenue over the 10 remaining years of the contract. The Corporation recognized revenues of \$83,123 and \$83,123 for the years ended June 30, 2022 and 2021, respectively. In addition, the Corporation has contract liabilities - deferred revenues of \$249,825 and \$332,948 of June 30, 2022 and 2021, respectively, related to the noncash transaction.

# Child Care Center Lease Agreement

The Corporation owns and operates the Center for Children and Families and has a Child Care Center Development Agreement (Agreement) with KinderCare Education at Work LLC, a California Limited Liability Corporation, which expires on February 28, 2023. In exchange for operating, maintaining, and managing the center, the operator is not charged rent. Management estimated that the value of the Agreement was \$623,080 and \$571,109 for the years ended June 30, 2022 and 2021, respectively. The Corporation records this as contributed nonfinancial assets as child care center in-kind rental income and child care center in-kind rental expense shown within supporting services and management and general expenses on the statement of activities. Contributed nonfinancial assets are valued at the estimated fair market value for similar facilities.

For operating the child care center, the Corporation does not pay rent under the ground lease. Management estimated that the value of the lease agreement was \$330,592 and \$303,018 for the years ended June 30, 2022 and 2021, respectively. These amounts are reflected in the statements of activities for the years ended June 30, 2022 and 2021 as property ground lease income and land leasing costs, which is included in ground lease income. As consideration for the Agreement the third party pays the Corporation an annual revenue share based on net revenue of the center. The Corporation records this as contributed nonfinancial assets as child care center ground lease in-kind income and ground lease in-kind expense shown within the supporting services and management and general expenses on the statement of activities. Contributed nonfinancial assets are valued at the estimated fair market value for similar facilities.

#### **CSUSM Lease Agreement**

In August 2019, the Corporation entered into a lease (as Lessor) with University (as Lessee) for use of space for Extended Learning and University programs in the building and adjoining parking garage. The lease has a term through March 2048 and calls for semi-annual rent payments corresponding to the Extended Learning debt obligation, as well as quarterly payments for operating expenses and capital fee for the facilities.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 7 - Commitments and Contingencies, continued

# Beverage Distribution Rights Contract

The Corporation has granted an unrelated third-party exclusive right to campus beverage sales and distribution. The initial term of the agreement was a 10-year period which expired on December 31, 2021. As part of the agreement, the unrelated third party will have exclusive rights for beverage sale and distribution, including the right to provide all beverages at athletic events, club activities, special events, concessions and vending locations.

As consideration for the agreement, the unrelated third party paid the Corporation an initial support fund in the amount of \$50,000 which was earned over the term of the agreement and payable upon signing the agreement. Additional consideration included an annual sponsorship fee of \$20,000 and \$1,500 in marketing funds payable annually at the end of each calendar year, 35 percent commission paid quarterly on actual cash collected by vending machines plus proceeds from credit card transactions. Commission and sponsorship fee revenue received under this agreement included \$26,956 and \$4,408 for the years ended June 30, 2022 and 2021, respectively.

The Corporation is actively engaged in negotiating with the unrelated third party to amend the distribution rights agreement, including the extension of the agreement term retroactive to the end of the prior agreement term. Unrelated third party has continued to provide service during period of negotiation.

# Campus Food Service Agreement

The Corporation has an agreement with an unrelated third party to operate the campus food services, including retail sales, catering and concessions. The term of the agreement is 20 years through August 5, 2032, unless terminated by either party with advance notice, as defined in the agreement. As part of the agreement, the Corporation will continue to own the equipment used to operate the food services and the unrelated third party shall purchase and own the inventories of food, beverage and supplies used in operations. In the event of a termination by the Corporation, all amounts due to the unrelated third party shall be payable immediately as defined in the agreement. The Corporation does not expect early termination. As consideration for the agreement, the unrelated third party pays the Corporation a 5 percent commission all retail sales with the exception of Panda Express and Starbucks as of July 1, 2017.

In January 2014, as part of the agreement, the unrelated third party purchased approximately \$1.4 million of equipment, design and construction services for the build-out of retail concepts for the Corporation. The Corporation has ownership of the assets and has recorded a corresponding liability to contract liabilities - deferred revenues which is amortized to revenue over the 18 remaining years of the contract. The Corporation recognized revenues of \$73,923 and \$73,923 for the years ended June 30, 2022 and 2021, respectively. In addition, the Corporation has contract liabilities - deferred revenues of \$776,186 and \$850,108 at June 30, 2022 and 2021 respectively, related to the noncash transaction.

In October 2019, the Corporation and the unrelated third party amended their agreement to add a Residential Meal Program, with a minimum participation and tiered commission based upon sales, to serve students in CSUSM housing. Due to COVID-19, the program was delayed to an unspecified time. The term of the agreement was amended to go through June 2032.

In September 2020, the Corporation and unrelated third party amended their agreement to reflect a suspension period effective September 1, 2020 through June 30, 2021 where unrelated third party would not be obligated to manage and operate campus food services due to temporary closure of campus as a result of COVID 19 and California State University and County mandate.

The agreement was further amended effective July 1, 2021 through June 30, 2022 to temporarily modify the terms to address changes required by the overall impact of COVID-19, by converting the food service which was under a profit and loss model to a cost of operations model, with the Corporation reimbursing unrelated third party for operating expenses incurred for the food services provided.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 7 - Commitments and Contingencies, continued

# Campus Food Service Agreement

In October 2019, the Corporation entered into a lease agreement with the developer of The Quad affiliate housing facility (Landlord), to utilize space in the building for the planned residential dining program. Under the original terms of this agreement, lease payments were to commence in Fall 2020. Given the aforementioned delay of the residential meal program due to COVID-19, the Landlord has not charged rent for the space.

The parties entered into an amendment to the lease in May 2022 which identified Landlord responsibility to construct tenant improvements in the premises, at the expense of the Corporation (Tenant), pursuant to plans, specifications and a guaranteed maximum price contract of \$4,200,000, inclusive of a construction supervision fee of \$150,000. Amendment calls for Tenant to pay Landlord for the initial \$2,500,000 of tenant improvement costs plus full construction fee, with the Landlord advancing remaining payments through completion. Tenant payment of funds advanced by Landlord, along with rent for space is to commence upon substantial completion of construction and Tenant receipt of temporary or permanent certificate of occupancy, which is scheduled for Fall of 2022.

# Sponsored Programs

The Corporation receives significant financial assistance from numerous federal, state, and local governmental agencies in the form of grants and operating subsidies. Disbursements of funds received under these programs generally require compliance with terms and conditions specified in the agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability to the Corporation. However in the opinion of management, any such disallowed claims would not have a material adverse impact on the overall financial position of the Corporation as of June 30, 2022 and 2021.

#### Workers' Compensation Insurance

During the years ended June 30, 2022 and 2021, the Corporation purchased workers' compensation insurance for \$14,353 and \$35,295, respectively, through an approved self-insurance program in which the Corporation is a member, and which is administered by the California State University Risk Management Authority (CSURMA).

Involvement in alternative insurance programs such as the CSURMA's self-funded workers' compensation program is an attempt to control the increases in insurance costs, but also carry financial commitments to the liabilities of the program.

# **University Village Apartments**

San Marcos University Corporation (UCorp) entered into a ground and facility lease agreement for student housing with the Board of Trustees of the California State University (the Board) on March 1, 2005. The lease term is for 28 years, with an option to extend an additional five years. In consideration of the execution of the lease agreement, UCorp would continue to operate the student housing facility on the site as part of refinancing the student housing improvements. The Corporation assumed the agreement as of July 1, 2017.

For operating the housing program, the Corporation does not pay rent under the ground lease. Management estimated that the value of the lease agreement was \$607,971 and \$557,260 for the years ended June 30, 2022 and 2021, respectively. These amounts are reflected in the statements of activities for the years ended June 30, 2022 and 2021 as housing ground lease income. As consideration for the Agreement the third party pays the Corporation an annual revenue share based on net revenue of the housing program. The Corporation records this as contributed nonfinancial assets as housing ground lease income and housing ground lease in-kind expense shown within housing program on the statement of activities. Contributed nonfinancial assets are valued at the estimated fair market value for similar facilities.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 7 - Commitments and Contingencies, continued

# Management Agreement

UCorp entered into a management agreement with Capstone On-Campus Management (Manager) to manage the operations of the student housing facilities from July 1, 2015 through September 30, 2018. The Agreement was amended on July 1, 2017 because of the Corporation merger with UCorp, assigning responsibilities to the Corporation and extending the contract to September 30, 2021. The agreement was further amended on October 1, 2021 to extend the term to September 20, 2024. The agreement requires an annual fee, payable monthly to the Manager, consisting of a fixed fee and a fixed percentage of revenue collected at 3%. For the years ended June 30, 2022 and 2021, management fees paid were \$189,663 and \$89,054, respectively. This amount is reflected in the statements of activities within student housing expenses for the years ended June 30, 2022 and 2021.

# **Affiliation Agreement**

The Corporation is party to an affiliation agreement with the University and the developer of the Quad affiliate housing facility, QUAD SM III, LLC and QUAD Housing, LLC. In May 2019 an amendment to the agreement was completed which established an end date of May 2040 and addressed summer use of the Quad facility and related revenue participation, as well as Right of First Offer.

# Legal Proceedings

The Corporation may periodically be a party in litigation cases incidental to its business activities. While any litigation or investigation has an element of uncertainty, management believes that the outcome of any of these matters will not have a materially adverse effect on its financial position, results of operations or liquidity.

#### Note 8 - Deferred Revenue

Deferred revenue are as follows as of June 30, 2022:

	_	Current	 Noncurrent	 Total
Bookstore	\$	83,123	\$ 166,702	\$ 249,825
Campus food service		73,923	702,263	776,186

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

#### **Note 9 - Accrued Postretirement Benefits Costs**

The Corporation has a postretirement program that provides lifetime medical, dental, and vision coverage to retiring employees age 65 or older with at least 10 years of service and having been enrolled in health benefits as of December 31, 2014 as a regular employee. Medical coverage will be provided through the AOA pooled medical program. Dependent spouses of eligible retirees will also receive lifetime medical, dental, and vision coverage.

The following tables include the postretirement healthcare benefits that are unfunded and the amounts recognized in the financial statements as of and for the years ended June 30:

		2022	_	2021
Change in Benefit Obligation:  Benefit obligation at beginning of year  Service cost Interest cost Actuarial (gain)/loss Benefits paid	\$	783,521 30,927 20,747 (154,967) (13,042)	\$	767,820 31,070 19,027 (20,792) (13,604)
Benefit obligation at end of year	\$ _	667,186	\$_	783,521
Fundad Chahua	_	2022	_	2021
Funded Status: Unamortized prior service cost (credit) Unrecognized net actuarial gain Accrued benefit cost	\$	(43,071) (751,348) 1,461,605	\$	(52,522) (674,721) 1,510,764
Benefit obligation at June 30	\$ _	667,186	\$_	783,521
Measurement date		6/30/2022		6/30/2021
Funded status at end of year	\$	(667,186)	\$	(783,521)
Not Deriodia Panefit Cost	_	2022		2021
Net Periodic Benefit Cost: Service cost Interest cost Amortization of prior service cost Amortization of net (gain)/loss	\$	30,927 20,747 (9,451) (78,340)	\$	31,070 19,027 (9,451) (87,280)
Net periodic benefit cost	\$	(36,117)	\$	(46,634)

The accrued postretirement benefit costs listed at the statement of financial position includes the unamortized prior service credit of \$43,071 and unrecognized net actuarial gain of \$751,348. Gains are a result of prior year changes in plan eligibility requirements and decreases in future premium liabilities, which were adjusted annually by changes in discount rates and coverage assumptions.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 9 - Accrued Postretirement Benefits Costs, continued

The components of net periodic postretirement benefit cost other than the service cost component are included in the line item "Postretirement benefit" in the statements of activities.

The weighted-average assumptions used to determine benefit obligations are as follows for the years ended June 30:

	2022	2021	
Discount Rate	2.67%	2.50%	
Expected long-term return on plan assets	N/A	N/A	
Rate of compensation increase	N/A	N/A	
Health care cost trend rate assumed for next year	4.00%	4.00%	
Rate to which the cost trend rate is assumed to decline			
(the ultimate trend rate)	4.00%	4.00%	

Expected retiree payments as of June 30, 2022 are as follows:

Expected Retiree Payments Over the Next 10 Years	
2022/23	\$ 21,046
2023/24	27,207
2024/25	28,615
2025/26	29,853
2026/27	31,042
2027-31	211,284

# Note 10 - Long-Term Debt

# **Housing Program**

In March 2002, UCorp issued \$27,990,000 of Series 2002 Student Housing Revenue Bonds. The proceeds were used to finance the construction of the UVA. In March 2005, the Board of Trustees of the California State University (the Board) issued \$25,230,000 of Series 2005A Systemwide Revenue Bonds, whose proceeds were used to pay in full the Series 2002 bonds and to purchase the facility from UCorp. In August 2013, a portion of the outstanding Series 2005A bonds were refunded with proceeds from Series 2013A bond issue. The 2005A bond refund resulted in a modification of the capital lease between the University and UCorp resulting in a gain on modification of \$697,885 for the year ended June 30, 2014.

In August 2014, the Board of Trustees of the California State University issued \$8,340,000 of Series 2014A Systemwide Revenue Bonds at a net premium of \$1,365,474. The Series 2014A bond proceeds were used to refund \$9,205,000 of the Series 2005A Systemwide Revenue Bonds. The remaining portion of the Series 2005A bond of \$705,000 was paid upon maturity in November 2014.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 10 - Long-Term Debt, continued

# Housing Program, continued

In March 2005, a ground and facility lease was signed between the Board and UCorp for a term of 28 years beginning on May 1, 2005, with an option to extend an additional 10 years. The Ground and Facility Lease agreement was amended in July 2017 due to the UCorp and Corporation merger. The Corporation is responsible for paying a base rent equal to the relating bond obligation and additional rental payments to cover all administrative costs and other expenses in connection with the refinancing or leasing of the facility. The bonds comprise Series 2013A and Series 2014A bonds bearing annual interest of 5.0 percent (paid semiannually). Rental payments are secured by a pledge of all Corporation revenues. The lease obligation due to the Board is treated as a financing arrangement. Accounting principles generally accepted in the United States of America preclude recognition of a real estate sale where there is continuing involvement with the property on the part of the seller.

If the seller-lessee has any continuing involvement other than the leaseback, sale leaseback accounting is prohibited. Additionally, if the seller is required to support operations or continue to operate the property at its own risk for an extended period of time, the transactions should be accounted for as a financing, leasing or profit-sharing arrangement. The financing method is used when the situations are generally significant enough that, in substance, the arrangement is a loan by the buyer-lessor to the seller-lessee.

Since the present value of the future lease payments on May 1, 2005 exceeded 90 percent of the fair value of the leased building, the building and the related liability under the capital leases were recorded in 2005 at the present value of the future payments due under the leases.

The balance of the liability under capital lease at June 30, 2022, in the amount of \$15,120,550, is net of the remaining \$756,338 of unamortized loss associated with the modification of the capital lease in July 2021, and represents the present value of the balance due in future years for lease rentals, discounted at 1.61 percent. The balance outstanding at June 30, 2021 was \$15,889,974, which was net of \$126,565 in unamortized gain associated with the modification of the capital lease in August 2014.

# Extended Learning Building and Parking Project

The Extended Learning Building/Student Services Building and Parking Project (Project) was developed through a Public/Private Partnership with North City University One (Developer). The Project includes a 135,000 gross square foot, six-story building, and a 709-parking garage on 2-acres directly across the street from campus. The Corporation entered into a Purchase and Sale Agreement (PSA) with the Developer (North City University One, Inc.) to manager the design, construction, and final closeout of the Project.

The Corporation owns 120,400 gross square feet which is used for Extended Learning Programs, classrooms, class labs, student support centers, lab and research facilities, select CSUSM departments, CSUSM Corporation Administrative Offices, and CSUSM Corporation Innovation. The Developer owns 14,600 gross square feet which is to be used for retail. A condominium structure was created to divide ownership of the building and land and provides for shared use of the common spaces in the building. The Corporation and Developer commonly own the parking structure under a separate parking declaration. The Developer and CSUSM Corporation developed Covenants, Conditions and Restrictions (CCR&Rs) for the building and parking structure. The Project was completed August 2019.

The Corporation owns and operates the Project and act as landlord to the University. In August 2019, Corporation entered into a lease with CSUSM for use of space for Extended Learning and University programs. When the asset was placed in service during the year ended June 30, 2020, it was determined that the lease was a capital lease (Note 11). All advanced lease payments were incorporated into the capital lease.

#### **Notes to Financial Statements**

Years Ended June 30, 2022 and 2021

# Note 10 - Long-Term Debt, continued

# Extended Learning Building and Parking Project, continued

In March 2018, the Corporation received a loan from the Trustees of the California State University in the amount of \$14,900,000. Interest rates range from 1.32% to 2.9%. On August 2, 2018, the loan agreement between the Trustees of the California State University and the Corporation was amended to increase the loan amount to \$63,590,905 with a maturity date of November 1, 2048. The amended loan has deescalating principal payments of approximately \$3,000,000 to \$3,500,000.

# Paycheck Protection Program Loan

On May 5, 2020, The Corporation was granted a loan (Loan) from US Bank in the aggregate amount of \$2,082,042, pursuant to the Paycheck Protection Program (PPP) under the Coronavirus Aid, Relief and Economic Security Act (CARES Act). Under this program, the loans and accrued interest were forgivable as long as the borrower maintained its payroll levels and uses the loan proceeds for eligible purposes, including payroll, specific benefits, rent and utilities over a twenty-four-week period. The amount of loan forgiveness was to be reduced if the borrower terminated employees or reduced salaries during the twenty-four-week period.

The Loan, which was in the form of a Note dated May 5, 2020 had a maturity of May 5, 2025 and was bearing interest at a rate of 1% per annum, with payments on the unforgiven portion payable monthly commencing no later than ten months following the end of the twenty-four-week period. The Loan allowed prepayment by the Corporation at any time prior to maturity with no prepayment penalty.

The Corporation applied for and received on August 6, 2021 forgiveness from the Small Business Association (SBA) for the portion of the PPP loan proceeds which was used for eligible purposes. The SBA forgave \$796,019 in principal and \$10,127 in interest. These amounts were recognized as income during the fiscal year ending June 30, 2022. The balance of the loan proceeds was repaid in full to US Bank in October 2021.

# Starbucks

The Corporation entered into a ten-year note payable with the University for \$250,000 to be used for the refurbishment and modernization of the on-campus Starbucks retail store. The note was amended to change the payment terms and interest rate from 3.00 percent to 2.75 percent per annum and is payable in annual principal and interest installments. The note agreement matures on July 1, 2024.

Summary of long-term debt as of June 30, 2022, are as follows:

	_	Bond Payable			١	Notes Payable				
June 30,	_	Housing Program		Extended Learning Building		Starbucks		Total Notes Payable		Total

# Note 11 - Direct Financing Lease

In August 2019, Corporation entered into a lease (as Lessor) with University (as Lessee) for use of space for Extended Learning and University programs in the building and adjoining parking garage. The lease payments mirror the principal and interest payments required to pay the Extended Learning Building loan. Lease payments are payable on or before May 1 and November 1 in each year, through November 1, 2048.

Future minimum lease payments to be received and unearned capital lease income from direct financing lease as of June 30, 2022, are as follows:

<u>June 30,</u>	 Lease Receivable	_	Unearned Capital Lease Income	Net Investment in Direct Financing Lease
2023	\$ 3,495,563	\$	(2,273,841)	\$ 1,221,722
2024	3,501,979		(2,220,163)	1,281,816

Total	\$ 92,464,777	\$_	(35,352,149)	\$ 57,112,628

# **Note 12 - Related Party Transactions**

The Corporation reimburses the University for salaries and other program-related costs for personnel working on contracts, fiscal services, and providing other business and operation services.

The Corporation entered into a payroll processing agreement with ASI.

The University remits bond interest payments for the debt related to the Corporation's capital lease of student housing. The Corporation then reimburses the University for the payments.

# Note 13 - Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include depreciation, which is allocated on a square-footage basis, as well as salaries and benefits, which are allocated on the basis of estimates and time and effort.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors California State University San Marcos Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of California State University San Marcos Corporation, (nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 28,2022.

# Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered California State University San Marcos Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of California State University San Marcos Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the California State University San Marcos Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify and deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether California State University San Marcos Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS, CONTINUED

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors California State University San Marcos Corporation

# Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited California State University San Marcos Corporation's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of California State University San Marcos Corporation's major federal programs for the year ended June 30, 2022. California State University San Marcos Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, California State University San Marcos Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

# Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of California State University San Marcos Corporation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of California State University San Marcos Corporation's compliance with the compliance requirements referred to above.

# Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to California State University San Marcos Corporation's federal programs.

# Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on California State University San Marcos Corporation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE, CONTINUED

influence the judgment made by a reasonable user of the report on compliance about California State University San Marcos Corporation's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
  perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
  evidence regarding California State University San Marcos Corporation's compliance with the compliance
  requirements referred to above and performing such other procedures as we considered necessary in the
  circumstances.
- Obtain an understanding of California State University San Marcos Corporation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of California State University San Marcos Corporation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

# Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
