A fee is charged for acceptance, sale and/or management of real property. The amount and type of fee is based on the circumstances of each property gift. The fee structure is similar to those of banks and trust companies providing services for the general public.

Supplemental fees are applicable where CSUSM Corporation is involved in toxic waste matters, repair/improvement supervision, prolonged negotiations, litigation, condemnation proceedings and any other consulting services. Hourly rates for the Executive Director, Business Manager and all other CSUSM Corporation employees will be applied at prevailing hourly rate.

Actual costs for required outside professional services are charged directly to the project based on actual services performed.

CAPITAL GIFTS:

GIFTS—OTHER:

Gifts other than cash or securities which require extraordinary services will be analyzed on a case-by-case basis and may be subject to supplemental fees in order to recover the cost of acceptance, sale, and/or management of such gifts. In such cases, the Executive Director will seek approval from the Finance/Operations Committee to assess supplemental fees.

CSUSM Corporation will review the policy on an annual basis.
