

NAVITUS SPECIALTYRx

OFFERED THROUGH LUMICERA HEALTH SERVICES

Navitus SpecialtyRx through Lumicera Health Services provides:

- ▶ **Free delivery** of specialty drugs to your home, doctor's office and other locations.
- ▶ **Drug reviews** with registered pharmacists who have experience providing one-on-one care to patients with complex conditions.
- ▶ **Refill reminders** to help you avoid running out of your drug.

How to Get Started

We are ready to work with you and your physicians to help you receive the best possible care. To begin receiving your specialty drugs from Lumicera Health Services, please call Customer Care at 1-855-847-3553 (TTY 711).

You can learn more by visiting

www.lumicera.com.

Please note: Specialty drugs are used to treat certain chronic illnesses or complex diseases. They can be very expensive and often require careful handling and monitoring. In many cases, they are covered only when specific clinical conditions are met. Coverage of specialty drugs is subject to your formulary and benefit package.
