**Reminder: Open Enrollment Closes Saturday, 10/31**

Open Enrollment is a once-a-year opportunity to review your benefit choices, change plans, add or drop dependents, and enroll **or re-enroll** in Flexible Spending Accounts. During Open Enrollment, you choose benefits for January 1, 2021, through December 31, 2021. After Open Enrollment ends, you cannot change your benefit elections until the next Open Enrollment in 2021, unless you experience an eligible life event, like a change in your marital status, a new baby or child in the family, or the loss of other healthcare coverage.

Please reference the reminder email that was sent by Daniela Moehlecke on 10/26/20 for open enrollment instructions, materials and links. Link to 2021 Benefit Information is here: [Open Enrollment Information](#)

**Gratitude Exercises**

Though it is a difficult time, there is always something to be grateful for. With the holidays approaching, remember to find joy and happiness in the little things. Here are a few gratitude exercises to try:

- Find a jar or box, and each day, think of three things throughout your day that you are grateful for, and slip the notes into the jar.
- Go on a gratitude walk and simply observe, appreciate and breathe in the things you see around you.
- Write a gratitude letter or email to a someone you appreciate, describing how their kindness or generosity touched you.
