

CRISIS RESOURCE LIST

Student Health and Counseling Services

(760) 750-4915

SHCS is open Monday - Friday from 8:00 a.m. to 5:00 p.m. If in crisis and needing immediate support during these hours, call SHCS and ask to speak with your counselor. If your counselor is unavailable and the situation is urgent, we will arrange to have you speak with another counselor. **After hours, you can call our main number listed here and follow the directions to speak with an after-hours counselor.**

University Police

(760) 750-4567

If you are on-campus and need immediate assistance when SHCS is closed, or you are unable to reach someone at SHCS, contact University Police at 4567. This is an emergency number only. Please do not use it for non-emergency business.

Survivor Advocacy Services

(760) 750-4915; 7#

Individuals can speak with the Sexual Violence Advocate in a confidential environment where reports will NOT automatically lead to a legal or Title IX report. Services are available to all CSUSM students and employees.

Community Resources

Please use one of the following community resources if needing immediate support when SHCS is closed and you are off campus (of course, you can use these resources at any time). This list is by no means comprehensive. Many other services are available. For information about other resources, ask your counselor.
