San Diego County COVID-19 Booster and Vaccine Clinic Information

We are pleased to share that CSUSM is partnering with the San Diego County Department of Health and Human Services to host a free COVID-19 booster and vaccine clinic on Wednesday, Feb. 2 and Wednesday, Feb. 9 from 9 a.m. to 3:30 p.m. at The McMahan House, with parking in Lot B.

The clinic will offer Pfizer and Moderna vaccines through appointments and on a walk-in basis to any CSUSM student or employee. The clinic is also open to the public – you are welcome to share this information with friends and family members. Although this is primarily intended to be a booster clinic, those who need first or second doses are also welcome.

Who Is Eligible to Receive a Booster?

Any individual who completed their primary Moderna or Pfizer vaccination series five months ago or longer, or Johnson & Johnson series two months ago or longer. You do not have to choose the vaccine you originally received as a booster shot.

What to Know

- Appointments can be made starting Monday, Jan. 31 via myturn.ca.gov. Search by city or zip code (92096).
- Walk-ups without an appointment are also welcome until 3:15 p.m. while supplies last.
- Bring your vaccine card so it can be updated.
- Once you are boosted, upload proof of vaccination via the student portal or employee portal. Unless you have filed for an exemption, you need to get boosted.

Accessing Other Vaccine Providers

If you are unable to attend on the dates of the CSUSM COVID-19 booster and vaccine clinic, we encourage you to find another vaccine appointment via myturn.ca.gov.

Questions?

You are welcome to email CSUSMasOne@csusm.edu.
