

Dear CSUSM employees,

At today's board meeting, Cal/OSHA approved revised mask requirements for the workplace to align with general state guidelines that took effect on Tuesday, June 15. Following the meeting, Gov. Gavin Newsom signed an executive order, allowing the new rules to be adopted immediately.

The updated revisions:

- Allow vaccinated employees to go maskless indoors at work.
- Remove workplace physical distancing requirements.
- Require employers to document the vaccination status of their staff.
- Require employers to provide N95 masks to employees who request them.

Cal/OSHA has already provided an FAQ that you can [find here](#).

As the campus processes this new guidance, more information will be shared as soon as possible. If you have questions, please contact CSUSMasOne@csusm.edu.
