

Dear CSUSM employees,

We know there has been confusion related to [Cal/OSHA's announcement on June 17](#) regarding updated mask requirements.

Cal/OSHA's revised regulations will not immediately take effect on campus to allow CSUSM time to revise its current COVID-19 safety protocols while awaiting further direction from the Chancellor's Office.

While on campus, all CSUSM students, faculty and staff should continue to wear masks indoors and when they are outside in large group gatherings or in situations where they cannot maintain physical distance.

More information regarding face-covering guidance is available on Safety, Health & Sustainability's [COVID-19 Campus Resources and Guidelines webpage](#).

We will provide an update once new campus protocols are established. Thank you for your patience and understanding as we navigate these changes.
