

# ACADEMIC *Support* RESOURCES

## STEM Success Center

**Who are they?** The STEM Success Center provides in-person tutoring, drop-in tutoring, and tutoring via zoom. No appointment is needed for help in your STEM courses! Pop in with a quick question or come hang out with them while you study.

### Services Provided:

- Drop-in tutoring
- Workshops
- Embedded tutoring
- Laptops, textbooks, and other study resources

## Personalized Academic Success Services (PASS)

**Who are they?** PASS works with students to assess each student's situation holistically to provide appropriate support and resources (on-campus or in the community) to help students achieve academic and personal success.

### Services Provided:

- Academic counseling/coaching
- Academic success workshops
- Support for academic probation
- Peer mentoring

## Writing Center

**Who are they?** The Writing Center's mission is to be a welcoming learning environment where certified student consultants offer constructive guidance to all writers of all levels at all stages of the writing process. Through one-on-one or small group sessions, we discuss various strategies, instill confidence, provide resources, and encourage critical thinking.

### Services Provided:

- Getting started, developing thesis statements, organizing ideas, revising, and/or polishing a paper
- Reviewing the prompt, asking guiding questions
- Providing non-judgmental feedback

## Disability Support Services (DSS)

**Who are they?** DSS provides accommodations for a wide assortment of disabilities (temporary or permanent) including mobility impairments, learning disabilities, chronic illness, communicative disorders, psychiatric conditions, hearing impairments, and visual impairments.

### Services Provided:

- Special testing accommodations
- Note Taking assistance
- Priority registration
- Disability-related counseling
- Supplemental academic advising
- Sign language interpreting

## Academic Success Center (ASC)

**Who are they?** All tutoring in the Academic Success Center is provided by currently enrolled CSUSM students who have previously taken and successfully passed the course(s) they tutor. All tutors are trained and equipped with the necessary tools to help students become confident, effective, and independent learners.

### Services Provided:

- In-person and Online Tutoring are available
- Supplemental Instruction
- Workshops
- Afterhours Virtual Tutoring

## University Library Resources

**Who are they?** The University Library is an essential partner in teaching and learning, research, and community engagement at CSUSM. They collaborate with our diverse campus community to ensure user-centered learning experiences, welcoming environments, and accessible information resources in order to facilitate scholarly inquiry and prepare students to be critical thinkers who are engaged members of their local, regional, and global communities.

### Services Provided:

- Research help
- Study rooms

**You can find the QR of the different resources in the back!**
