

## **Registering to Vote**

Students needing assistance in registering to vote are encouraged to contact Disability Support Services (DSS). A Voter Preference Form will be filled out as part of the intake process for students that are newly enrolled in our DSS program. Students who are not yet registered to vote but are interested in doing so, will be provided with a Voter Registration Card (upon request) or they can simply click on this link to submit one electronically:

Please keep in mind that a student's decision on whether or not to register to vote will not impact their access to services provided through DSS. Any follow up questions should be directed to DSS either by phone at (760) 750-4905 or by email at: [dss@csusm.edu](mailto:dss@csusm.edu)
