ADN-BSN COLLABORATIVE PROGRAM

FAST-TRACK YOUR NURSING CAREER: COMPLETE ADN AND BSN IN A STREAMLINED THREE-YEAR JOURNEY.

Experience a seamless transition through our partnership program, moving effortlessly from Palomar's ADN to CSUSM's online BSN. You'll take classes concurrently at both institutions to earn both nursing degrees in approximately three years!

This unique partnership is designed to maximize your educational journey, allowing you to apply skills and knowledge from one program directly into the next.

CSUSM BSN COSTS

COST PER UNIT:	\$340
TOTAL UNITS:	38
<hr/>	
TOTAL COST:	\$12,920

Not including fees. Tuition subject to change without advance notice.

Costs and fees for the ADN degree are provided separately by Palomar College.

WHAT YOU'LL BE PREPARED FOR:

Diversify Your Nursing Opportunities:
The ADN to BSN pathway opens doors to various career trajectories.

- General nursing practice in a variety of clinical settings
- Graduate-level nursing programs
- Leadership roles in healthcare organizations, clinics and community agencies.

PROGRAM DETAILS

- Palomar's ADN program readies you for the NCLEX exam and RN licensure.
- Most prerequisites for the BSN are taken during the Palomar portion of the program.
- An RN license is required for some courses during the final semester at CSUSM.
