## ACCELERATED BACHELOR OF SCIENCE IN NURSING AT THE CSUSM TEMECULA CAMPUS

Earn your Bachelor of Science in Nursing in just two years with this accelerated program offered by the California State University San Marcos (CSUSM) School of Nursing. This fast-paced program is designed specifically for students who hold a degree in a discipline outside of nursing and who have not completed any LVN or RN coursework.

### THIS PROGRAM WILL PREPARE YOU FOR:

- The NCLEX exam
- The fast-paced environment of nursing
- Improving patient care and cultural competency

### PROGRAM DETAILS

In this 24-month additional bachelor's degree program, students will complete approximately 78 semester units of study in both didactic and clinical coursework. The program has three starts per year: fall in Temecula, spring in San Marcos and summer in Temecula.

COST PER UNIT: **\$599**

TOTAL UNITS: **74**

TOTAL COST: **\$44,326**

(Not including fees)

### ADMISSION REQUIREMENTS

- Bachelor's degree from a regionally accredited institution
- Minimum 2.5 GPA in the last 60 units completed
- Completion of the pre-nursing core.
- Minimum of 2.75 GPA in pre-nursing core
- Passage of the TEAS exam with a minimum 71.0% composite score
