PROGRAM DETAILS

COST PER UNIT: **\$530**

TOTAL UNITS: **78**

TOTAL COST: **\$41,340**

Not including fees. Tuition subject to change without advance notice.

This online degree program consists of 78 units and can be completed in five semesters, including summer. The program culminates with a project-based capstone where you will work with real organizations to apply security principles, methodologies and technical skills to solve security problems. If you hold select CompTIA or CISCO

Certified Network Associate certifications, you may be eligible for Credit for Prior Learning (CPL). This could reduce the number of courses required for your BS in Cybersecurity.

ADMISSION REQUIREMENTS

- Minimum 2.0 cumulative grade point average in all transferable units attempted
- Successful completion of a minimum of 60 transferable semester units (or 90 quarter units)
- Successful completion of prerequisite courses listed at csusm.edu/el/bscopyber
