RESIDENCY

The law governing residence determination for tuition purposes by the California State University is found in the California Education Code Sections 68000-68090, 68121, 68123, 68124, 89705-89707.5, and 90408 and in the Title V of the California Code of Regulations, Sections 41900-41912.

The general rule is that a student must have been a California resident for at least one year immediately preceding the residence determination date in order to qualify as a "resident student" for tuition purposes. A residence determination date is set for each academic term and is the date from which residence is determined for that term. The residence determination dates are:

Term/Date: Fall/ September 20 Spring/January 25

Your responses to the following questions will be used to make an assessment of your residency status for tuition purposes. The campus may request additional information prior to making a final residency determination.
