

Social Justice and Equity Project Request for Proposals
CSUSM Faculty Grants 2017-18
Deadline for filing proposals: Thursday November 20, 2017 at 5:00 pm.

The Office of Inclusive Excellence (OIE) joins with The Faculty Center to announce grant opportunities of up to \$500 for the 2017-18 academic year. The grants will support faculty initiatives that advance the university-wide strategic priorities of social justice, educational equity, inclusiveness, and diversity.

We invite proposals that explore or seek to enhance campus equity, inclusion or multicultural curriculum and pedagogies. We encourage submissions for projects leading to innovative pedagogies from departments and faculty who have not applied before.

Examples of fundable activities include:

- Support for curricular expansion or pedagogical innovation
- Research activities that examine campus issues of equity, multiculturalism & social justice
- Related faculty development activities (e.g., conference/workshop support)

Note: these funds are intended for faculty professional development activities or materials and cannot be used to pay for student assistants or other student expenses

Grantees agree to provide OIE and the Faculty Center a brief written description of activities and assessment of the outcomes for the funded initiative.
