25Live reservations can be published to select calendar(s) in order to reach a specific campus audience.

Calendars will automatically include the following information directly from your reservation:

- Event Date & Time
- Event Title
- Location(s)
- Event Description

EDITING YOUR RESERVATION

For most reservations, the event descriptions, titles, and publish to calendar selections can be edited in the Event Form even after the reservation has been confirmed. This applies to reservations created beginning summer of 2020.

Please contact ECS if you need to edit an already existing reservation.
Here's what you can edit on your reservations:

- Event Title
- Event Description
- Publish to Calendar

**PLEASE NOTE:**

ECS Event Planners may take ownership of higher-profile event reservations, restricting editing capabilities for users. Please contact your Event Planner to request reservation changes in this case.

**EDITING RESTRICTIONS**

Most reservations can be edited in the Event Form by clicking “Edit Event” on the main Event Details page.

**PLEASE NOTE:**

The event date, time, or location cannot be edited after a reservation has been submitted. **Please contact ECS to request changes to these essential items.**
Calendar Tips

- To ensure that your event is posted and reaches the audience of your choice, please select the appropriate calendars. (i.e. Student Calendar, Community Calendar, Staff or Faculty Meetings, etc.)

- **Event Start = Calendar time**
  - The time entered in the “Event Start” section will be advertised on the calendar and therefore will be the time that guests will arrive. To reserve extra time for setting up early or cleaning up after, use the Additional Time section.

- **Additional Time**
  - If you need additional time to set up before your event or to clean up after, you can use the “Pre-Event & Post-Event” times in the Event Wizard.
  - “Setup & Takedown” times will be entered by the ECS team as needed, particularly for Campus Full-Service and select Self-Service events with rental items.

**CAMPUS ANNOUNCEMENTS**

https://www.csusm.edu/communications/contact/announcements.html

“This Week at CSUSM” campus announcements include select upcoming events that are displayed on Campus Calendars.

You can submit a request to include your featured event in the Campus Announcements on the CSUSM Office of Communications website.
