

## Faculty Center Connections

### A Faculty-to-Faculty Mentoring Program

The mission of Faculty Center Connections is to provide mutual mentoring for faculty at CSU San Marcos. Reciprocal mentoring relationships contribute to the continual growth and development of all faculty. Faculty Center Connections is intended to help new faculty learn more about CSUSM and the expectations for tenure and promotion, to provide an opportunity for faculty to share teaching techniques and challenges, and to facilitate informal research and writing discussions among colleagues.

New this year are Interest Groups that will allow for mentors to submit a topic around which a mentoring group will be formed. In addition, we will continue with small group, and one-on-one mentoring relationships. If you are interested in being a mentor, or being mentored, please complete the [FC Connection Mentor Application](#).
