

Course Redesign: Lunch & Learn

Join us for a workshop to learn more about the course redesign opportunity funded through the CSU Chancellor's Office.

During this workshop, you will learn:

- More about the application and review process for the grant
 - How the Faculty Center can support you through the course redesign process
 - Tips and tricks from other faculty who have completed course redesigns in the past.
-

The Office of Institutional Planning and Analysis will be on hand to help you navigate the DFW Dashboard to find data about your courses. Bring a device to follow along and save the data you need.

Date: October 11, 2018

Time: 12:00pm - 1:00pm

Location: KEL 2413

* Lunch Provided
