Your continued support means the world to our students, especially during these challenging times. The last quarter of our year brought a hardship none of us could have expected. But our mission as a University continues strainless in our region and provide an abundant environment for our students to thrive.

THANK YOU for your unwavering commitment to our students. You made it possible for them to continue on their quest to better themselves, their families, and their communities.

350 STUDENTS served by a Student mentor program.

350 STUDENTS served by a Student mentor program.

OVER $1.3M invested in the academic success of our students.

OVER 800 HOURS dedicated by Student Ambassadors to conduct the Student Ambassador Program.

The School of Nursing Student Healthcare Project operates 5 clinics across the county, providing services to uninsured individuals. Under the supervision of faculty nurses, housing students volunteered

NADIA DELCARRILLO MIRANDA, a recent CUSM alumna and graduate student in cancer immunotherapy at UC Merced, was published in the Journal of Immunology with her photo of T cells in mice featured as the cover.

THE EACH ONE TEACH ONE MENTORSHIP PROGRAM THROUGH PROJECT BEYOND partners CUSM alumni as mentors with 25 students from Greenbriar High School, encouraging them to see college as a viable option for their future. With Project Beyond’s support, CUSM alumni and mentors are the key to this opportunity for youth to live out their dreams.

OUR COMMUNITY CARE TOGETHER TO SUPPORT STUDENTS IN RESPONSE TO COVID-19.

With a 21-member leadership team of faculty, staff, and students, we have all worked hard to support the students through COVID-19, providing resources and food, helping students navigate their lives on campus, and engaging students in meaningful activities that held them in place.

Finally, 1,000,000 and participated in our 4,500 patient encounters.
