  - What question would you like answered at the Foundation Board’s Question of the Quarter?

I. President Haynes provided the following update:
- Recent CSUSM leadership change noted and President welcomed Cathy Baur in her new role as Interim Vice President of University Advancement. Neal has stepped in as Interim Vice President of Finance and Administrative Services and campus CFO. He will continue in his role as Executive Director of the board.
- Giving Day was a tremendous success. Thanks were offered to Chair Raymond and Board member Tom McGurn for their challenge gifts as well to the Staples Foundation for its $25,000 matching gift for food insecurity and Jim Mickelson’s $1,000 matching gift for ACE Scholars Services, all of which contributed to a record number of Giving Day donations.
• CSUSM received a nearly six million dollar Hispanic-Serving Institution STEM grant that will provide foundational funding to start an engineering program. Now working to secure the necessary private-sector funding that will allow CSUSM to launch the engineering program, beginning with computer software and electrical engineering.

• In October donor funds were raised to purchase CSUSM’s first Steinway Performance Grand Piano. CSUSM is considering next steps in becoming an all-Steinway campus.

• CSUSM had a record number of freshman applications for Fall 2017 with 16,352 resulting in the largest one- and two-year increases in the CSU system; 7.86% higher than Fall 2016 and 21.38% higher than Fall 2015.

• A letter of intent has been signed for a public-private partnership to design, develop and finance a building located just across the street from the main campus for the University’s Extended Learning Program and other academic and student support services growth. The project will move forward following approval from the Chancellor’s Office and CSU Board of Trustees.

Half of the CSU’s revenue comes from the state general fund, which is provided by the state legislature and governor, while the other half comes from system-wide tuition and fees paid by students. If we are not successful in acquiring necessary investment from the state, the Chancellor indicated that a tuition increase will need to be considered for Fall 2017.
