1	Academic Affairs	Develop a comprehensive communications plan in Academic Affairs by reviewing the present protocols for division-wide communications and exploring the options for enhancing communications to all personnel in Academic Affairs. These plans will be developed with broad consultation in Academic Affairs. Improved communications plans will be developed and implemented division-wide.	<p>Low scores were recorded for the following statements:</p> <ul style="list-style-type: none"> • "Senior leadership communicates openly about important matters." • "I believe what I am told by senior leadership." <p>A more deliberate and comprehensive communications plan is needed that will reach all members of Academic Affairs with information that is important to everyone.</p>	<ul style="list-style-type: none"> • The Provost - division-wide. • Deans / AVPs / Associate Deans - at the unit-level. 	<ul style="list-style-type: none"> • August 25, 2015. • August 25, 2015 	<ul style="list-style-type: none"> • The communications plan will be fully functional by the completion date. • The scores on these items will increase.
2	Academic Affairs	Explore the apparent need for additional transparency in decision-making at all levels in Academic Affairs. We will consider ways of increasing transparency in decision-making in Academic Affairs, to the extent that this is possible. There will be broad consultation with faculty and staff to uncover additional details of what might be needed. The Vice Provost and the Deans will make recommendations to the Provost.	<p>Low scores were recorded for the following statements:</p> <ul style="list-style-type: none"> • "Changes that affect me are discussed prior to being implemented." • "There is a sense that we're all on the same team at this institution." <p>There is always a need for consultation and greater transparency between the senior leadership and the faculty and staff when it comes to making and communicating high-level decisions. This need is reflected in the low scores on these items. The question of consultation and transparency needs to be examined.</p>	<ul style="list-style-type: none"> • Vice Provost - relative to the senior leadership in Academic Affairs. • Deans - relative to faculty and staff in their units. 	<ul style="list-style-type: none"> • May 31, 2015 • May 31, 2015 	<ul style="list-style-type: none"> • The Provost will receive the recommendations and decide how and to what extent they might be implemented.F4 • The scores on these items will increase.

18	Student Affairs	Implement and evaluate a peer recognition program, to be dubbed "CougarBucks" that will occur during one week each fall and spring semester. This initiative will allow staff the opportunity to recognize peers who have offered exemplary service.	Student Affairs currently has recognitions in place that allow managers to recognize an outstanding individual and a team annually. However, the establishment of a peer to peer recognition program each fall and spring semester will allow for much broader participation in recognizing outstanding work.	Under oversight by the VP SA, the Student Affairs Staff Training and Recognition Squad (STARS) will implement and administer this initiative.	Implemented Fall 2014 and ongoing.	Feedback collected and reported by departmental managers.
						Scores on this item will increase.
						Periodic administration of the Student Affairs Staff Survey.
