Application Guidelines for Undergraduate Research and Creative Activities Fund

Graduate Studies and Research Mission Statement

The mission of the Office of Graduate Studies and Research is to support faculty and students to foster and sustain an environment of academic excellence through a strong commitment to promote graduate education, research, creative activity, and collaborative initiatives, such as centers, institutes, and faculty-student research.

Undergraduate Research & Creative Activities Funds

The Undergraduate Research and Creative Activities fund is designed to help undergraduate students capitalize on scholarship and creative activity completed at CSUSM. Examples of appropriate activities include support for travel to a conference at which a student's paper or poster has been accepted.

Funds are distributed on a first-come, first-served basis, until funds for the current year run out. Students may only receive one award as an undergraduate student (in order to extend the funds to many students). Potential sources of other support will be taken into account in determining the size of the award. Group projects as well as individual projects may be funded. Each person will need to submit their own application. Complete applications are required to be submitted 5 weeks prior to the date of travel for U.S. conferences and at least 90 days prior to the date of travel for international conferences.

Please make sure to submit quotes for all the estimated expenses such as airfare, lodging, mileage (if driving), auto rental, shuttle (ex. Uber/Lyft), parking, and registration. The quotes will be submitted both online using the “Steps to submit travel application” form and at the in-person appointment to complete the travel authorization.

After a decision has been made, applicants will receive their award letter via email. Awards are distributed after the travel has been completed and your travel claim has been submitted. Appropriate receipts are required to submit a travel claim.

Students traveling to conferences within the U.S. may receive funding for up to 50% of the cost of 3 days/night of travel. Students traveling to conference outside of the U.S. may receive funding for up to 50% of the cost of 5 days/night of travel.

Complete applications are required to be submitted 5 weeks prior to the date of travel for U.S. conferences and at least 90 days prior to the date of travel for international conferences. Incomplete or late submissions will NOT be accepted.

If you are unsure as to whether you will be invited to present within the 5 week/90 day deadline, please submit your application regardless, with a memo attached explaining that you have applied to present and have yet to receive a notice of acceptance. If awarded, your funding will be contingent upon your acceptance to present.

If awarded funds, all receipts need to be turned in to the office within 3 weeks of returning from travel. A reimbursement can not be made without all receipts.

Currently, OGSR cannot fund travel to the following states under the Provisions of California Assembly Bill No. 1887: Alabama, Kansas, Kentucky, Mississippi, North Carolina, Oklahoma, South Carolina, South Dakota, Tennessee, and Texas. This list of states may be subject to change.

If you have any questions, contact the Office of Graduate Studies and Research.
