

Your two plan options

We'll do whatever it takes and then some.

Make the best choice for your family

When it comes to choosing a dental plan, you want benefits that fit the needs of you and your family. Delta Dental PPO and DeltaCare USA both offer comprehensive dental coverage, quality care and excellent customer service.

Choosing between the Delta Dental PPOSM and DeltaCare[®] USA plans

Delta Dental PPO

Delta Dental PPO, our preferred provider organization (PPO) plan, provides access to the largest PPO dentist network in the U.S. Delta Dental PPO dentists agree to accept reduced fees for covered procedures when treating PPO patients. This means your out-of-pocket costs are usually lower when you visit a PPO dentist than when you visit a non-Delta Dental dentist, but you have the freedom to visit any licensed dentist, anywhere in the world.

DeltaCare USA

DeltaCare USA is our prepaid plan that features set copayments, no annual deductibles and no maximums for covered benefits. In most states, enrollees must select a primary care dentist in the DeltaCare USA network from whom they receive treatment as in a traditional dental HMO.
