

Course Basics - 3.2 – iClicker Registration

| | |
|---|---|
| <p>1. You should see an iClicker block on the bottom right hand side when viewing your course in Cougar Courses. If you have not registered a clicker yet, it will only say Student Registration in the block.</p> |  <p>A screenshot of the iClicker interface showing a block with the text "I>CLICKER" and "Student Registration" below it. A red arrow points from the text in the left column to the "Student Registration" link in this screenshot.</p> |
| <p>2. To register:</p> <p>a. Click on Student Registration. Enter in your clicker remote ID in the box. The remote ID is located on the back of your clicker underneath the barcode.</p> <p>b. There are instructions for finding your remote ID on the right hand side of the page under Student Registration FAQs.</p> <p>3. Select Register.</p> <p>4. You will receive a confirmation of success.</p> <p>5. The iClicker block should now display your clicker remote ID under Student Registration. If it does, you are ready to participate in any iClicker questions in your class.</p> |  <p>A screenshot of the "Student Registration" page. It shows a navigation bar with "Home" and "Student Registration". Below is a text box with instructions: "Enter your 8-character i>clicker Remote ID or 12-character i>clicker GO ID below. You may register multiple remotes/i>clicker GO accounts or remove a registration entry at any time." There is an input field for the ID and a "Register" button. A red circle labeled 'a' is around the "Register" button.</p> <h3>Student Registration FAQs</h3> <ul style="list-style-type: none">▶ Where do I find my remote ID?▶ What do I do if I cannot read the ID printed on my remote?▶ Why do I get an "Invalid Remote ID" error when I try to register?▶ I've lost/broken my remote.
