

TEST CREDIT

IMPORTANT! WAIT UNTIL 1 WEEK BEFORE YOUR ORIENTATION TO SEE IF TEST CREDIT IS POSTED TO YOUR STUDENT RECORD. IF YES, THIS STEP IS NOT NECESSARY.

If your test credit is not appearing on your Transfer Credit Report, you must do the following:

- 1) Open the Equivalency Table for the exam(s) you've taken
- 2) Use the grid to see what GE credit (if any) or course credit(if any) the exam fulfills
- 3) Open your Degree Planner and REMOVE the corresponding GE or course requirement line in the Planner by clicking "X" at the end of the line. This way the Planner can reshuffle and suggest the correct courses for registration. (see example below)

COURSE EQUIVALENCIES FOR TEST CREDIT – VISIT <http://www.csusm.edu/academicadvising/testing/clep.html>

The screenshot shows the AP/CLEP/IB page on the CSUSM website. The navigation bar at the top includes links for Home, Colleges, ARR Correction, Articulation, eAdvisor, "How To...", Reinstatement, and AP/CLEP/IB. The page is divided into three main sections, each with a title, a description, and a link to an equivalency table. Red boxes and arrows highlight the 'AP Equivalency Table', 'CLEP Equivalency Table', and 'IB Equivalency Table' links respectively.

Manually Removed Requirements

The following requirements have been manually removed from your planner. This does NOT mean that you are exempt from these requirements. They are still necessary to complete your degree (unless you have received a waiver from your advisor). However, it is possible that you have completed a requirement in a way that the system cannot detect (e.g. transfer or test credit that has not been posted yet). Please check with your advisor if you are not sure. To move a requirement back into your plan, click the Restore link on the appropriate line.

If you removed any requirements due to transfer credit that has not been posted yet, once the transfer credit is posted, these lines will be considered Complete, and will automatically disappear from this section.
