HOME SITES OPPORTUNITIES LOGOUT

Hello Sally! What would you like to do?

Welcome to the CSUSM Office of Internships & Service Learning Database!

Instructions:

For step by step instructions on using the database, see: [Internship Database Instructions](#).

This database contains both approved and unvetted learning sites. To apply, follow the site's application instructions. Once your internship or service learning details have been confirmed, identify your course and select "place" to complete the online forms.

Don't see your internship site?

See the following links to request your site as a community partner:

- [Requesting an Internship Community Partner](#).

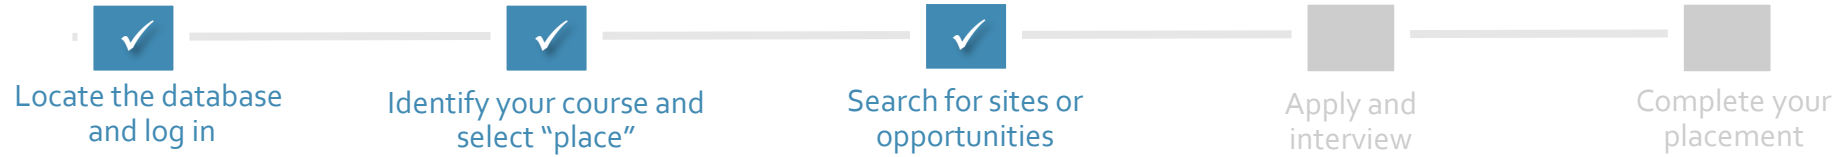

For Non-credit Internships:

- Please read the [Liability Waiver](#) prior to continuing on to the internship opportunities.
- Not all internships on the database are reviewed and evaluated. It is your responsibility to ensure the validity and safety of each internship of interest.
- By clicking start, you are agreeing to the terms of the [Liability Waiver](#).

Organization Description

A required form in the placement process for this site includes a University Liability Waiver. Until a signed Community Partnership Agreement is executed with your requested organization, you assume full responsibility and liability while interning at this site. Once a University Community Partnership agreement has been signed and executed, you will be covered by under the University's General Liability Insurance program. If you choose **not** to sign the University Liability Waiver form, please notify your faculty member about placing at an alternate internship site

Program Information

This category is used for students that are waiting for their Community Partner site to be approved. Once the site is approved, this placement will be deleted and the student will make a new placement at the approved site. Should the requested partner not return a signed agreement to the Office of Internships and, therefore, does not become an approved Community Partner, the liability waiver that you signed will remain in place.

Health & Safety/Requirements

A required form in this placement process includes a University Liability Waiver.
