#### Note on Transferring in Approved Equivalent Courses

See University Catalog for course descriptions and prerequisite information. **Approved** equivalents of lower-division courses may be completed at community colleges or other regionally accredited institutions. Go to [www.assist.org](http://www.assist.org) to find equivalents to the lower-division courses at CA Community Colleges. Any courses not listed on Assist must be approved by faculty in the department offering the course. A maximum of seventy (70) semester units earned in a community college may be applied toward the degree.

#### Note on Upper-Division Units Required for Graduation:

Students need at least 40 upper-division units of coursework to graduate from CSUSM. Students are responsible for taking sufficient upper-division units to graduate. Because this depth of study includes lower-division coursework, students **MUST** carefully choose other required courses and electives to insure 40 upper-division units are completed for graduation.

#### Note on pursuing a minor in History:

The history minor consists of 21 units. Twelve units must be at the upper-division level. Two world areas need to be covered. At least six units must be in a course sequence where the two courses relate chronologically. Completion of the history depth of study, in addition to the other history courses required by the ESM program, fulfills the minor. However, students must officially declare the history minor. It will not be granted automatically.
